

Curriculum Summary

Term: Spring 2

Year Group: Reception

Learning Behaviour Animal: Recap Rabbit

Topic: Give me 5!

Reading and Phonics

Continue to engage in Reading Practise sessions.

This half term is a Phase 3 recap term. We will look at reading words containing Phase 3 graphemes, words with double letters, words with 2 or more digraphs/trigraphs and longer words.

We will also recap all the Tricky Words taught so far.

PSED

We follow the Jigsaw PHSE Scheme with the focus on 'Healthy Me'.

Looking at exercise, balanced diet, importance of sleep, keeping clean, keeping calm and dealing with difficult situations

RE

We will be looking at the Understanding Christianity syllabus. Why do Christians put a cross in an Easter Garden?

Maths

This half term we will be looking at, through the Mastering the curriculum scheme:

- Building 9 and 10
- Explore 3D shapes

Writing

In handwriting we continuing to practise the correct formation of our letters. The children will develop independence by thinking of a sentence, hold it in their head and then write it using their Phonics to spell. This will include some tricky words. Weekly independent writing will continue through Drawing Club.

Understanding the World

We will be identifying and naming basic parts of the human body, noticing similarities and differences in humans, understanding that exercise and hygiene is important for humans, noticing that some changes take place in our bodies when we exercise and identifying healthy and unhealthy foods.

DT

We will be exploring familiar foods (fruit and vegetables), practising hygiene measures to keep healthy and safe, thinking about the need for variety in food and understanding that food comes from plants or animals.

Expressive Arts & Design

Focus: Painting

Developing colour mixing, naming primary and secondary colours, cleaning/drying a paintbrush to switch colours, and selecting colours for an appropriate purpose.

Music:

Big Bear Funk (Charanga Scheme)

PE

The children will learn to -

Develop ball skills including throwing, catching, kicking, passing and aiming. Negotiate space carefully when playing games. Continue to develop core strength.
