

Reading and Phonics

In phonics we will be continuing to follow our Little Wandle phonics programme with sessions including Name play, Blend from the box and Bertha the Bus focusing on the following letter sounds:

qu, z, ch, ck, x, sh, th

PSED

We will be reflecting and celebrating our personal achievements from this year, recalling our memories from Nursery and discussing our goals for Reception. As part of our celebrations, we will be practising for our Pre School leavers assembly which will give the children the opportunity to show and celebrate a fantastic year at pre-school.

The children will also be learning about their body, the growth and changes that happen to our bodies and the importance of respecting our bodies.

R.E.

This term we will be focusing on Sacred stories. We will be reading stories from different religions including Christian, Hindu and Muslim and learning about why those stories are special to each worldview.

Curriculum Summary

Term: Summer 2 – Under the Sea

Year Group: Nursery

Learning Behaviour Animal: Wise Owl

Maths

In Maths we will be recapping all the mathematical knowledge we have learnt this year with particular focus on Numbers 1-5 and 2-D shapes.

We will also be learning number composition of 1-5 and the concept of what comes after and before with one more than and one less than.

Literacy

We will be taking part in fine motor carousel sessions to help us prepare for Reception and to help us continue to develop strong pencil grips. The children will also be continuing to build on their knowledge of the 5 key concepts of print. The children will also be working on being able to write some or all of their names.

Understanding the World

The children will be using familiar under the sea props such as boats and fish to explore floating and sinking and exploring and identifying key features of a wide range of under the sea creatures. We will be continuing to extend our knowledge of the concept of past and present through discussions and role-plays about holidays to the beach.

We will also be learning to make verbal observations about natural processes in our environment and how to use investigative language when making observations.

Expressive Arts & Design

The children will be learning to create scenes by using a variety of craft materials to create beach, sea and pirate scenes.

We will also be learning how to link colour when creating and continuing to understand the importance of handling creative tools safely.

P.E.

In P.E we will be continuing to build on our core strength through Cosmic Yoga sessions.

We will also be using our core strength and gross motor skills to negotiate and navigate various obstacles and apparatus outdoors.
