

**Dunchurch Boughton C of E Infant
Academy and Nursery**
Roots to grow. Wings to fly.
Newsletter number: 37

Date: 17.07.2026

It is hard to believe that we have already come to the end of the academic year! As always, we have crammed many events into the year. Just this week we have had our end of year leaver's performances for year two and pre-school, and an open evening. Thank you to the children for all their hard work this academic year. The children continue to be their amazing selves and make each day a joy to be in school with their hard work and happy smiles. Today is also tinged with some sadness as we say goodbye to our year two children who are off to join their new schools in September. We have all loved having them at Dunchurch Infants. Good luck year two, we are so proud of you and wish you the best of luck as you spread your wings and fly to your new schools.

As shared previously, Miss Shrimpton is getting married over the summer and will return as Mrs Taplin! We know many of the children and families will want to join us in wishing her every happiness as she begins this exciting new chapter. We look forward to hearing all about the celebrations! Mrs Carrington leaves us today to take early retirement from teaching and take up a new role. We would like to thank Mrs Carrington for her commitment and care towards many children and families over her time at Dunchurch Infants. We wish her every success and happiness in the future.

Thank you to all the staff for all their hard work, commitment, teamwork and support this academic year. The staff work exceptionally hard to provide the best for the children in their care. Whilst it is in no way expected, thank you for the tokens of appreciation in the way of kind words, cards and gifts that have been sent into school this week, showing how much you appreciate the work that the staff do.

Finally, thank you to the parents, PTA and governors for everything you have done throughout the school year. We count ourselves very lucky to have such support and to be able to work together in partnership for the benefit of the children, enabling them to grow and flourish.

Have an amazing summer break everyone, we look forward to seeing those of you returning on Thursday 3rd September.

Suzanne Marson

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

A great lunch. A great start.

All children in Reception, Year 1 and Year 2 are entitled to a healthy, nutritious school meal every day – funded by the government through UIFSM.

It's already paid for. Make the most of it!

WORTH UP TO £480 PER CHILD EVERY YEAR!

Good for them. Good for you.

School meals are packed with nutrients to fuel growing bodies and busy minds – helping children to learn, play and thrive.

The real cost of a packed lunch vs. a school meal

Choosing a school meal could save you up to £480 a year!

SCHOOL MEAL (FUNDED BY THE GOVERNMENT)	ALDI (BUDGET OPTION)	TESCO (MID-RANGE)	Sainsbury's (HIGHER RANGE)
£2.53 PER MEAL	FROM £1.60 PER DAY	FROM £2.30 PER DAY	FROM £2.80 PER DAY
190 SCHOOL DAYS = UP TO £480 PER CHILD, PER YEAR	£304 – £342 PER YEAR	£437 – £475 PER YEAR	£532 – £570 PER YEAR
	Even at the lowest cost, that's £300+ spent by families unnecessarily.	Costs are similar to the value of the funded school meal.	Spending more than the full value of the school meal funding.

Don't miss out on up to £480 in funding available for your child every year.

Why school meals are great for your child

- Healthy & balanced:** Nutritious meals made to strict standards to fuel growing bodies and minds.
- Better for learning:** The right nutrients help with concentration, behaviour and achievement.
- Social & fun:** Lunchtime is a chance to build friendships and enjoy a positive dining experience.
- Tasty & varied:** Delicious meals with lots of choice to suit all tastes and dietary needs.
- Better for the planet:** School meals reduce packaging waste and support sustainable practices.

Every meal makes a difference

Good for families, good for everyone

Using the funding available helps schools provide the best quality meals for all children. Thank you for supporting your school community.

Questions? Speak to your school office or visit caterlinktd.co.uk for more information.

Great food. Bright futures. Stronger communities.

Rest

It is important to work hard, stay motivated and set goals to achieve in life. It is also important to not overwork yourself and get enough rest to help manage your stress and unwind so you can stay motivated and prevent burnout in the long run.

Rest is vital for your mental health as it can improve your concentration, memory, critical thinking, planning for the future, problem-solving, mood, immune system, reduce stress, and helps your body's metabolism and physical recovery.

Rest can be difficult to define because it can look different for everyone. It can be anything physical or mentally stimulating that improves wellbeing such as going for a walk, singing, drawing, cycling, playing games, watching TV/streaming, exercising, playing sports, reading, dancing, listening or creating music, writing, crafting, relaxing or anything else you enjoy!

Our Top Tips for Rest:

After you have done something important like studying, chores or homework, reward yourself by doing something enjoyable that helps you recharge.

Set aside enough time each day for hygiene. This can be showering, brushing teeth, washing hair. These regular activities can help you to relax.

Create a healthy sleep routine by avoiding caffeine or sugary drinks near bedtime, ensure you are warm and comfortable in bed and limit screentime.

Engage in some mindfulness or restful activity, such as meditation, reading, listening to calming music, podcasts or bedtime stories.

Use the QR code to download the Calm App, which has lots of meditations, soundscapes and stories.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Book of the week

Title: How Big is a Million?

Author: Anna Milbourne and Serena Riglietti

Recommended by: Mrs Pilbeam

I really enjoyed reading *How Big Is a Million?* because it is fun and easy to read. The pictures are bright and colourful, and they help explain big numbers. My favourite part was learning how huge a million really is and looking at the big poster at the end of the book.

This book made me smile and I think other children will enjoy reading it too.

E-Safety tip of the week

Netflix Playground

Netflix Playground hosts a number of games aimed at kids aged 8 and younger. The games include Sesame

Street and Peppa Pig. It is available as an app to all Netflix subscribers and has no additional in-app purchases and no adverts. Find out more here:

Summer Reading Challenge 2026

Dear Parents,

Every year the Warwickshire Library Service supports the Summer Reading Challenge set annually by the Reading Agency. The aim is to help children sustain their reading skills and habits through the six week summer holiday.

At Dunchurch Community Library we have successfully hosted this challenge many times and we are enthusiastic about this year's theme: Read to the Beat.

The scheme will launch on the 4th July and continue until the start of school in September. On enrolling each child will receive a snazzy sticker booklet (see above) in which they can record their reading activities, place each sticker (one per activity) and rate the stories read. They will also receive a booklet with stories to read and puzzles to solve. The scheme will be holiday friendly: ~~eg~~ start before, continue after return or any combination that suits the family.

When the children have completed their six reading activities they will be awarded a medal for their efforts and, when the new term starts, a certificate of congratulation will be prepared, with their name in calligraphic script, and delivered to their schools for presentation in September.

Rugby library will be taking part too and it may be more convenient for you to enrol there; but we at Dunchurch are looking forward to meeting parents and children when the scheme starts in on 4th July.

Best Wishes,

Clive Cotton, Volunteer at Dunchurch Library

Dunchurch Community Library, School Street, Dunchurch, CV22 6PA ~~tel~~: 01788 811355
