We have had a great week, including some transition work in preparation for next academic year. Year two have spent a day at the Juniors, year one have had a special transition afternoon, and reception and pre-school have been to visit the rooms in the next year group. The children are well prepared for transition day on Wednesday next week, and I am sure that they will all have a good day with their new class teachers. We are currently recruiting for Teaching Assistants to join the team as additional staff, and once recruitment is completed we will be able to share their year groups with you.

We know we have lots of football fans among both our children and staff, so we've decided to make Monday a special Sports Day, in conjunction with our already planned sports morning for reception to year two. For children who would like to watch it, we will be showing the England football match on Monday afternoon. There will also be a range of alternative sporting activities available for those who would prefer not to watch the match, so everyone can enjoy the day in a way that suits them. We kindly ask for your help in keeping the result of the match a secret until the children have had the chance to watch it. Please avoid sharing any spoilers on Monday morning! Thank you for helping us make the experience as exciting as possible for our young football fans.

Reception enjoyed a special treat this afternoon with a visit from a theatre group. The children listened to a selection of traditional tales, which linked beautifully with their current topic. They had a wonderful time joining in and bringing the stories to life! Thank you to Miss Shrimpton for arranging this for the children.

Thank you for your ongoing support, have a lovely weekend.

End of year reports

On Monday 13th July, you will receive your child's end of academic year report. All teachers and key workers in all year groups have carefully written the reports, providing you with information about your child's effort and achievements over the course of the academic year.

Within the reports, you will find:

- Attainment and effort for reading, writing and maths, along with a written statement in each area.
- Wider curriculum attainment, effort and a written statement.
- A teachers comment and a headteachers comment.
- Year one parents will find their child's end of year one phonics score.
- Reception parents will find their child's assessments against the Early Learning Goals.
- Your child's attendance to date.

A generic example can be seen to the right.

Our assessment and reporting system is called Insight. You will receive an email from the email address system@insighttracking.com with your child's report. When you click on the link in the email, you will be taken to a menu like the picture on the right. You will be asked to enter your child's date of birth which then allows you to view and download your child's report as a PDF. For parents in years reception to year two, this is the same as when you view the attendance letters sent home from Mrs Owen.

Diary Dates

All events include Nursery unless stated otherwise.

Monday 6 th July	Sports Morning (reception to year two) Children from reception to year two will be taking part in a sports morning on the Junior School field. Parents are invited to join us and should make their way over to the Junior School after dropping off their children. We will start at 9:15am and we expect the morning to last around two hours. Children will be sat on one side of the track and parents sat on the other side. A letter has been sent home regarding team colours.
Wednesday 8 th July	Country Transfer Day Children will spend time in their new classes during this day. If your child is in year two and moving into Dunchurch Juniors, they will spend the day there. Please drop off and collect the children from the junior school. (If your year two child is not going to Dunchurch Juniors and does not have a transfer day, please let us know.) If your child is in reception or year one, they should arrive and be collected from their usual classroom doors. The children will then go into their new classrooms and spend most of the day with their new classroom staff. Owlets and pre-school children should attend nursery as usual. Pre-school children will be invited into school to spend some time in their new classroom (please see separate letter sent home)
Thursday 9 th July	Little Owls trip to Pizza Express We are taking Little Owls to Pizza express in Rugby for the morning by coach and returning before lunchtime. The children will enjoy a fun workshop of pizza making.

Persistence

Persistence is all about keeping going, even when times are challenging. It is normal to want to give up when you are going through something difficult, but if you can stick with it and overcome the obstacles, you will be closer to achieving your goals.

Having a **growth mindset** will help us persist, which means you believe you can learn, grow and develop your skills by putting in the hard work and practise. This can be tricky, so make sure you reach out to friends and trusted adults to support you.

Our tips for persistence:

1. **Break the goal down into smaller steps.** You can set yourself smaller goals that are more achievable, to help you reach your ultimate goal. Make sure the smaller goals are linked to your ultimate goal; this may help to encourage you to keep going, as you will be able to measure your progress.
2. **Try something new** – this could be a new hobby, sport, craft activity, or puzzle. Having a go at something new can help to develop your persistence, whilst also having fun. You might find it challenging at first, but you will receive a greater sense of reward and achievement by sticking with it!
3. **Positive self-talk** – instead of saying "I can't", add "yet" onto the end of the sentence. This tells your brain that it might be difficult, but you will get there in the end.
4. **Talk to yourself like a friend** – we are often kinder to our friends than we are to ourselves, when we go through challenging times. Practise talking to yourself like you would talk to a friend! What advice would you give if a friend told you they were rubbish at something? What would you say if they felt they wanted to give up?
5. **Practise mindfulness.** A good way to improve our mental wellbeing is by paying more attention to the present moment and the world around us. Think about sounds and smells around you, what can you see, and how does this make you feel. By being more aware, this can improve our mental wellbeing and enable us to improve skills such as being persistent.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Book of the week

Title: Postman Planet

Author: Ben Davis

Recommended by: Miss Bird-Slater

Postman Planet by Ben Davis is a hilarious, high-energy space adventure. The story follows a 9-year-old boy who wears a fake moustache to trick his way into a job at the Intergalactic Post Office! Calling himself "Postman Planet," he gets sent on a wild rocket mission across the stars to deliver helium to the Planet of Fluffy Unicorns. Along the way, he must team up with a grumpy part-dog, part-robot assistant named Stamp and escape from silly Space Vikings.

This book reflects the importance of teamwork and compromise, demonstrating how characters must use creative thinking and overcome their differences to save the day.

E-Safety tip of the week

The Safety-First Smartphone

The Other phone is a new smartphone, which includes "SafetyMode" software. The software automatically blocks nudity, profanity, and bullying language in real time.

You can find out more here: <https://otherphone.co.uk/>.

Smart Phone Free Childhood also list some alternatives that you could consider here:

<https://www.smartphonefreechildhood.org/alternatives>.

Please note, that the inclusion of these models does not constitute an endorsement or recommendation. While these devices may provide a 'safer' alternative to traditional smartphones, there are still potential risks associated with children using any type of phone.

Summer Reading Challenge 2026

Dear Parents,

Every year the Warwickshire Library Service supports the Summer Reading Challenge set annually by the Reading Agency. The aim is to help children sustain their reading skills and habits through the six week summer holiday.

At Dunchurch Community Library we have successfully hosted this challenge many times and we are enthusiastic about this year's theme: Read to the Beat.

The scheme will launch on the 4th July and continue until the start of school in September. On enrolling each child will receive a snazzy sticker booklet (see above) in which they can record their reading activities, place each sticker (one per activity) and rate the stories read. They will also receive a booklet with stories to read and puzzles to solve. The scheme will be holiday friendly: ~~eg~~ start before, continue after return or any combination that suits the family.

When the children have completed their six reading activities they will be awarded a medal for their efforts and, when the new term starts, a certificate of congratulation will be prepared, with their name in calligraphic script, and delivered to their schools for presentation in September.

Rugby library will be taking part too and it may be more convenient for you to enrol there; but we at Dunchurch are looking forward to meeting parents and children when the scheme starts in on 4th July.

Best Wishes,

Clive Cotton, Volunteer at Dunchurch Library
