Academy and Nursery**
Roots to grow. Wings to fly.
Newsletter number: 33

Date: 012.06.2026

This week, our year one children, along with some of our year two children, have taken part in the National Phonics Screening Check. We are incredibly proud of the positive attitude, resilience, and determination they have shown throughout the process. The children have worked hard all year to develop their phonics knowledge and reading skills, and this has been a wonderful opportunity for them to showcase what they have learned. Well done to everyone involved, we are very proud of you!

As we shared in the newsletter last week, our parents and carers survey is now live. Thank you so much to everyone who has taken the time to complete it so far. The survey remains open until 21st June 2026 and can be accessed here: [Parent/Carer Survey - Dunchurch Boughton C of E Infant Academy & Nursery – Fill in form](#)

Next week, weather permitting, our sports days are due to take place for nursery on Monday afternoon and school aged children on Wednesday morning. The nursery sports session is held on our own playground – please enter and leave the school via the Sandford Way entrance. Please see below for the arrangements for Wednesday morning, where the school sports session is held on the Junior Academy site.

- Please enter the Junior School site via the Dew Close gate (this can be via our gate from the playground) once you have dropped the children off in the morning. A member of staff will be positioned on the gate until all our children have entered the Junior site by 9:15am. The gate will then be locked until our sports morning has finished.
- Our gates will close at the usual time; there will be no cut through from the Don Cerce entrance after 9am.
- Other than the gate to the Juniors, our gates will be locked at the usual time of 9am, so please do not plan to cut through from Don Cerce after 9am.
- Once you have entered the Junior site, please make your way onto the field area and sit alongside the side of the track (Mrs Rawes will be there to support which side). The children will be brought onto the field by school staff and will sit on the other side of the track. Please do not come over to the children as this can cause some children to become upset when you have to leave. Due to this and for safeguarding reasons, we ask that all parents remain on the designated side of the track.
- Once the children are onto the field, the gate from the Junior playground to the field will be shut. If you need to leave for any reason, please wait for a member of staff to assist you.
- At the end of sports morning, we will take the children back to school first. Once all classes have left the field, parents are then welcome to follow us and leave the school site through the Dew Close gate. Please do wait for us to see the children off first.

We are looking forward to a great morning. Thank you to Mrs Rawes for arranging this for us.

As shared on Dojo, I have purchased additional T-Shirts to match the team colours, so if anyone does need a T-Shirt providing for their child, please let me know.

Thank you for your ongoing support. Have a lovely weekend.

Spotlight on

Reception end of year assessments— Early Years Good Level of Development (GLoD)

A Good Level of Development refers to a summative assessment judgement which is made for each early years child towards the end of their reception year.

Children's attainment and progress is assessed using their learning outcomes in relation to Early Learning Goals (ELGs) encompassing the curriculum areas of:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development (PSED)
- Literacy
- Maths
- Understanding the World
- Expressive Arts and Design

The Early Learning Goals are interconnected, and children can display their knowledge and skills across a range of areas of learning when engaging in a task or an activity.

A Good Level of Development is defined as reaching the expected level in the prime areas of learning (see below), along with the specific areas of mathematics and literacy.

Some children may have an outcome of 'emerging' for some, or all, of the Early Learning Goals. This may be because they are developing a little later than their peers, have missed considerable class time that has impacted their learning or have a special educational need or disability (SEND). This does not mean that a child has 'failed' their reception year but provides useful information that can inform the needs of the child as they move into Key Stage One. This promotes a smooth transition and informs the teacher of any extra support that may be required, so every child is nurtured and catered for.

Your child's end of year report will inform you if they have met their Early Learning Goals and have achieved a Good Level of Development. If you have any questions about this, please speak to your child's class teacher.

In Collective Worship

this week ...

In Collective Worship this week, we explored Pentecost, an important Christian celebration that marks the coming of the Holy Spirit to Jesus' followers. We learned how Pentecost is often called the "birthday of the Church" because it was the beginning of the disciples sharing God's message with people from many different nations and languages. We also reflected on how we can show empathy towards one another. We discussed the Christian value of compassion and thought about what it means to understand and care about the feelings of others. The children considered simple ways they can demonstrate compassion in their daily lives, such as listening carefully, offering help, including others, and showing kindness when someone is feeling sad or worried.

Empathy

Empathy means *feeling with* someone, not just *feeling sorry for* them. It is one of the best ways to be a kind friend and a good person. Empathy is not just noticing that someone is happy, sad, or hurt—you're trying to understand their feelings **from their point of view** and responding with kindness.

Examples of when you could be empathetic:

A friend is nervous before a test.

You might say: "I get nervous too. We've got this!"

Someone is sitting alone at lunch.
You might think: "I would feel sad if I were alone."
So, you could invite them to sit with you.

Our tips for empathy:

1. **Pay attention** to how people look and sound. Are they happy, sad, or upset? Look for clues in their body language to find out how they might be feeling.
2. Read a book or watch a TV show. Pick a character in the book or show and imagine how that character might feel. Do you think all the characters feel the same? **Put yourself in their shoes!**
3. **Empathy drawing** – if you like to get creative, you could try drawing a picture of how someone else might feel in a certain situation (e.g., "a child who has lost their favourite toy", "a child who is starting a new school").
4. **Be kind with actions** – even little things help – like sharing, listening, or giving a hug.
5. **Include everyone** – invite others to play, join in, or sit with you. Notice if someone is standing alone, sitting on a bench, or watching others play.
6. **Kindness cards** – consider making cards or notes for family, friends or classmates who might need a boost!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Book of the week

Title: Lost and Found

Author: Oliver Jeffers

Recommended by: Miss Roberts

This week, the Little Owls enjoyed reading *Lost and Found* by Oliver Jeffers. It is a lovely story about a boy who finds a penguin on his doorstep and thinks it is lost. He decides to help the penguin get home, so they go on a big adventure across the ocean.

We loved how kind and caring the boy was, even though he didn't always understand what the penguin really needed. It helped us talk about friendship and how important it is to be there for each other. Our favourite part was when the boy realised that the penguin wasn't lost at all—it just needed a friend!

Emoji Meanings

Did you know that some children and young people may be using emojis to mean something completely different?

For example, a cap emoji may be used to represent a lie. It is important that you are aware of how emojis can be used and keep up to date with the way in which they can be used as their meanings are changeable. You can find out further information here:
