

Dunchurch Boughton C of E Infant Academy and Nursery

Roots to grow. Wings to fly.

Newsletter number: 26

Date: 27.03.2026

It is hard to believe that we have already come to the end of the spring term! Along with their usual learning, the children have enjoyed taking part in some Easter activities this week. On Tuesday morning, we welcomed Rev. Ian from St Peter's Church into school. He taught all children in school and nursery about the Easter story, including the use of actions. Everyone enjoyed hearing the story and sang some songs beautifully. We were also very fortunate to be visited by the Easter Bunny on Thursday. The children enjoyed taking part in an egg hunt and receiving a chocolate egg. A huge thank you to everyone on the PTA who was involved with putting this together for the children.

Keeping our children safe is always our top priority. As part of our safeguarding approach, we'd like to remind parents and carers that smart watches and smart glasses shouldn't be brought into school. These devices often have cameras, internet access, and recording features, which can affect privacy and safeguarding. Keeping them off-site helps us maintain a safe and focused environment for everyone. Thank you for your support in helping us keep our school community safe.

Thank you to the reception parents for their generous donations of fruits this week. The children have thoroughly enjoyed using their skills to make a fruit salad which was enjoyed as part of snack time today.

We look forward to welcoming the children back after the holiday, refreshed and ready for an exciting summer term ahead — hopefully with some sunshine! Wishing you all a happy Easter.

Spotlight on

At Dunchurch Infants, we teach R.E. through a worldviews approach. This means we encourage the children to learn about different faiths and non-religious views through the perspective of another person. We can then reflect on what we have discovered and examine our own thoughts, feelings and experiences about what we have learnt.

We start each enquiry with a big question. Some examples of these questions are: 'Which places are special and why?' (EYFS) and 'What makes some places sacred?' (KS1). Throughout the year we use a mix of Understanding Christianity and the Local Agreed Syllabus. Our RE curriculum is devised with key concepts and vocabulary being revisited across the year groups to deepen understanding. In Early Years, children focus primarily on the worldviews of Imran, Grace and Samit. We use these persona dolls to represent children that identify as belonging to either a Muslim, Christian or Hindu world view. In Key Stage One we expand our study to three more puppets, Hannah, who is Jewish, Amal, who is a Sikh and Sam, who is Buddhist.

In Key Stage One, children also learn about different methods of enquiry through our disciplinary icons. These icons help children to use different techniques to find out information and interpret their findings.

We also explore a range of world views through our RE enrichment afternoons. These are based on either a particular religious festival or focus on comparing similarities and differences between faiths. Children have the opportunity to take part in some of the customs or traditions commonly experienced by people around the world and in modern Britain. Hands on experiences helps to deepen the links between what children remember and understand. This understanding is developed further by visitors and trips to places of worship.

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

In Collective Worship

this week ...

In collective worship this week we have been learning our songs for our Easter service. We have also thought about the significance of the Easter story for Christians. We enjoyed our Easter service with Reverend Ian who taught us about the Easter story using actions.

Positivity

"Every day may not be good, but there is something good in every day." - Alice Morse Earle.

Positivity means focusing on the good things in life, even when things get tough. It's about thinking and acting in a way that makes you feel happy and hopeful. Being positive can help you feel better, solve problems, and have a more joyful life.

Our tips for practising positivity:

- **Focus on the good** – Look for the positive in every situation. Every day, there is always something positive.
- **Use positive words** – Try saying things like "I can do this" or "I'll keep trying and I will get there".
- **Be kind to yourself** – Don't be too hard on yourself. Try to remind yourself that you are trying your best. Celebrate any small successes!
- **Practise gratitude** – Think about three things that you are thankful for each day. It could be something as simple as a sunny day or a friend saying something nice to you.
- **Spend time with positive people.**
- **Find something you enjoy** – Whether it is a hobby, sport, quality time with friends and family, or watching your favourite TV programme, doing something you love can bring you joy.
- **Try using positive affirmations** – Tell yourself one positive thing every day, like "I am enough" or "I am trying my best".
- **Help others** – Helping someone else, even in a small way, can make you feel good about yourself too.
- **Keep a positive journal** – Write down things that you are proud of or moments that made you smile.

Positivity makes a big difference!

When you practise positivity, you start seeing the world in a brighter way. You can face challenges with confidence and believe in yourself.

Positivity is also contagious — when you're positive, you inspire others to be positive too!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Book of the week

Title: Don't call me Sweet

Author: Smriti Prasadam-Halls

Recommended by: Miss Glass

This story is a short but SWEET rhyming book about a grumpy monster who is trying to persuade others he's scary not sweet. The monster tells us how they do real monster things like stomping around and eating bug eye stew as well as having sharp claws and a loud roar, this is until a much bigger, scarier ogre comes looking for a tasty teatime treat.

Although this book is aimed at a younger age group, even the year twos enjoy this fun quick story when we've read it in Owls.

I must admit, even I enjoy putting on my monster and ogre voice!
