

Dunchurch Boughton C of E Infant Academy and Nursery

Roots to grow. Wings to fly.

Newsletter number: 25

Date: 20.03.2026

We have had a great week in school and have enjoyed making the most of the sunshine where we can. In nursery, Owlets have been learning about the story Dear Zoo whilst the pre-school children have been making the most of our new PE equipment to develop their core strength. In reception, the children have enjoyed using magnifying glasses and containers to look at the minibeasts found in the outdoor area, using adventurous vocabulary to explain their findings. Year one have learnt about St Patrick's Day this week, including learning about the places within the UK and their features. They even took part in some Irish dancing! Year two have continued to make observations within science and explored carrying out some experiments as a continuation of science week. Great work everyone!

We kindly remind all parents and carers that children must not attend school if they have experienced overnight vomiting or diarrhoea. In accordance with NHS guidance, children are required to remain at home for 48 hours after the last occurrence of sickness or diarrhoea. This measure is essential to safeguard the health and wellbeing of all pupils, staff, and wider families. Failure to follow this requirement significantly increases the risk of illness spreading throughout the school community. We appreciate your cooperation in helping us maintain a safe and healthy environment for everyone.

Thank you for your ongoing support, have a lovely weekend.

Grammar

Grammar supports the development of children's speaking, listening, reading and writing skills. Having a good knowledge and use of grammar allows your child to communicate their ideas and feelings, along with helping them choose the right language for any situation.

By the end of primary school, your child will be expected to understand and use the grammar and punctuation set out in the National Curriculum. Some words, like expanded noun phrases and blending, can seem a bit daunting, but children will learn to use this vocabulary as they are taught it in school. Once the children reach Key Stage One, they will learn how to recognise and use grammar terms that are used within speaking, reading and writing. The grammar terms taught in years one and two, along with an explanation of their meanings, can be found in the images below.

Year 1

Vocabulary, Grammar and Punctuation Terminology

Letter
The English alphabet is made up of 26 Letters. Each letter has a letter name and a sound. 'A' and 'Z' are the first and last letters of our alphabet, these should be known in order.

Capital Letter
A capital letter is a letter from the alphabet. They are used at the beginning of a sentence and for proper nouns - person, place, personal pronoun 'I' or specific thing.
Jack
Scotland
Jack Russell
(the name of a dog breed)

Plural Word
A word that refers to more than one person or thing. The spelling rule must be used for adding -s or -es.
cats
foxes

Sentence
A sentence is a collection of words joined together, beginning with a capital letter, leaving spaces between each word and ending with punctuation. Sentences can be joined together using 'and'.
The man went to market.
He bought a cow.
The man went to market and he bought a cow.

Full Stop
A full stop is used at the end of sentence. This tells the reader to take a pause.
The man took his prize pig to the market.

Singular Word
A word that refers to only one person or thing.
cat
Beth

Year 1 Vocabulary, Grammar and Punctuation Terminology

Word Spelling
A word is a group of sounds joined together to form a word. Spelling is important as this helps the reader to understand the writing. Some words are common exception words and cannot be 'sounded out'.
c-a-t
f-l-igh-t
was (common exception)

Noun
A noun is a word that names a person, place or thing.
Sam went to the playground.
She played with the ball.

Omitted Apostrophe
An apostrophe would be used in place of a missing letter. This is when two words have been joined together to create a shorter word, known as a contraction.
I + will = I'll
I + am = I'm
we + will = we'll

Prefixes and Suffixes
Words where no change is needed to the root words can be changed to add -ing, -ed, -er and -est.
Buzzing Started Higher Brightest

Punctuation Marks
Punctuation marks are important because they show the reader where sentences start and end. They also help to change how the reader understands the writing.

Question Mark
A question mark is used at the end of a sentence that asks a question.
What time is lunch?

Exclamation Mark
An exclamation mark is used after a word or sentence to express a strong feeling or excitement or anger.
"Wow! Look up there!"
Tom shouted.
"Ouch! That hurt!" Sam yelled as he sat on a pin.

Compound Word
Compound words are two or more words joined together to make a new word.
fair + ground = fairground

Year 2

Vocabulary, Grammar and Punctuation Terminology

Expanded Noun Phrase

In a sentence, an expanded noun phrase describes more information about the noun.
If 'dog' is the noun, a noun phrase gives more information about the dog.
The scruffy dog likes to play in the sand pit.
There can be more than one noun phrase in a sentence.
The scruffy dog likes to play in the **deep sand pit**.

Adjective

An adjective is a word that describes a noun or pronoun.
the **blue** butterfly
the **tallest** man

Adverb

An adverb is a word that describes a verb, adjective or another adverb in a sentence.
You can describe the verb.
The boy jumped **high**.
You can describe the adjective.
The **dark** green grass.
You can describe the adverb.
The man talked **very** quickly.

Verb

A verb is a word that describes an action.
sing run march

Tense

A tense tells the reader when something happens. If it has already happened, it is in the past tense. If it is happening now, it is in the present tense and if it will happen it is the future tense.
The man **kicked** the ball.
The man **is kicking** the ball.
The man **will kick** the ball.

Year 2 Vocabulary, Grammar and Punctuation Terminology

Suffixes

A letter or group of letters can be added to the end of a word to make a new word with a slightly different meaning.
Adding -ment can change a verb into a noun.
enjoyment
Adding -ful or -less can change a verb or noun into an adjective.
careful
careless
Adding -ness can change an adjective into a noun.
sadness
Adding -ly can change an adjective into an adverb.
proudly

Possessive Apostrophe

A possessive apostrophe is used to show a noun is owned by a single person.
The man's dog.
The girl's pen.

Command Sentences

A sentence that orders or instructs.
Leave the building now.

Statement Sentences

A sentence that includes a fact, opinion or idea.
Ruth likes to play in the mud.
All children at the primary school wear red jumpers.

Spelling Rules

Spelling rules are used to help with spellings, such as, -ge and -dge at the end of words.
badge
/s/ sound spelt c before e, i and y
race
/n/ sound spelt kn and gn at the beginning of words
knock
/r/ sound spelt wr at the beginning of words.
write
/l/ sound spelt -le at the end of words
table
/j/ sound spelt -y at the end of words
cry

Year 2 Vocabulary, Grammar and Punctuation Terminology

Subordination and Co-ordination

Subordination is using 'when', 'if', 'that' and 'because' to connect two clauses together. The subordination adds additional information but will not work on its own.
The bus stopped **because** the traffic lights turned red.
Co-ordination is using 'or', 'and' or 'but' to join words that link together as part of a sentence. The sentences can be joined together and will make sense on their own.
I was feeling ill **but** I still went to work.

Punctuation Marks

Punctuation marks are important because they show the reader where sentences start and end. They also help to change how the reader understands the writing.

Comma

A comma is used to break up a phrase or separate words in a list.
I went to the shop and bought eggs, chicken, milk and cheese.

There are simple things you can do at home to support your child's developing grammar and punctuation skills.

1. Read to your child

While children learn about language from speaking and listening, the type of language we use in writing is often different from that in speech. Reading regularly to your child, especially books that they cannot yet read independently, is a great way of developing their vocabulary and their understanding of how language works.

2. Encourage your child to read to you

Making time to hear your child read isn't just good for their reading. Through frequently seeing words in print, they will have the opportunity to see how the punctuation and grammar are used to share meaning. When you read, take some time to look at the punctuation and talk about what it is telling the reader to do. For example, you could show your child how a question mark tells you to raise your voice at the end of the sentence to indicate a question being asked. Children may use the word 'prosody' when reading aloud – this is reading with the correct intonation and expression.

Explore how you can show the 'feeling' behind an exclamation mark. Are the characters shouting? Has something unexpected happened? Has something gone wrong?

In Collective Worship

this week ...

In collective worship this week we have used Picture News to explore Pokemon as one of the games that children play with today and looked at how this has evolved over time.

We have been starting to explore the Easter story and why this is important to Christians. We have also enjoyed learning some songs to sing as part of our in school Easter service with Rev. Ian next week.

Positivity

"Every day may not be good, but there is something good in every day." - Alice Morse Earle.

Positivity means focusing on the good things in life, even when things get tough. It's about thinking and acting in a way that makes you feel happy and hopeful. Being positive can help you feel better, solve problems, and have a more joyful life.

Our tips for practising positivity:

- **Focus on the good** – Look for the positive in every situation. Every day, there is always something positive.
- **Use positive words** – Try saying things like "I can do this" or "I'll keep trying and I will get there".
- **Be kind to yourself** – Don't be too hard on yourself. Try to remind yourself that you are trying your best. Celebrate any small successes!
- **Practise gratitude** – Think about three things that you are thankful for each day. It could be something as simple as a sunny day or a friend saying something nice to you.
- **Spend time with positive people.**
- **Find something you enjoy** – Whether it is a hobby, sport, quality time with friends and family, or watching your favourite TV programme, doing something you love can bring you joy.
- **Try using positive affirmations** – Tell yourself one positive thing every day, like "I am enough" or "I am trying my best".
- **Help others** – Helping someone else, even in a small way, can make you feel good about yourself too.
- **Keep a positive journal** – Write down things that you are proud of or moments that made you smile.

Positivity makes a big difference!

When you practise positivity, you start seeing the world in a brighter way. You can face challenges with confidence and believe in yourself.

Positivity is also contagious – when you're positive, you inspire others to be positive too!

Book of the week

Title: A Little Bit of Winter

Author: Paul Stewart

Recommended by: Elf Owls

We read this story about a hedgehog who goes to sleep for the winter. Before he goes to sleep, he asks his friend Rabbit to save him a little bit of winter so he can see what it is like when he wakes up. Rabbit says he will do it, but he is very forgetful! We liked Rabbit because he is funny and forgets things a lot. Our favourite part was when the snow touched the hedgehog's hand and he said, "it bit me!" It was a little surprising and made us laugh. We think other children would enjoy this story too. We would give this book 5 stars ★★★★★ because it made us smile!

How to best use location tracking apps within your family...

Location tracking gives us the ability to see where somebody is via their smart device and is often one of the reasons children receive their first device. Internet Matters have published an article discussing location tracking, including the benefits and risks and provide links to other supporting resources.

You can read the article here:
