

This week, we have had two opportunities to show off the school! On Thursday, we welcomed Beacon Schools into school. Beacon Schools are a company who specialise in behaviour and social, emotional and mental health needs within schools. There were so many positives found, including how well the children behave, the pastoral and academic support that the children receive from all staff, and the strong and positive relationships that children and staff have with one another. Today, we have had our annual Multi Academy Trust evaluation day, focusing on the new Ofsted framework. Again, there were so many positives found including inclusion, teaching and learning and the behaviour of the children. I am so proud of all the children and staff every day, but am especially proud of them this week. Well done everyone!

After what feels like such a long time, we finally have our first round of displays in school! We are working with a contractor on some permanent displays, including a big timeline, but we have also ensured that there is space to celebrate children's work too. Do have a look around school when you are in for parent's evenings next half term, but for now here is a taster with an example from each year

group!

Thank you for all your ongoing support, have a lovely weekend.

Suzanne Marson

Spotlight on

Online Safety

At Dunchurch Boughton C of E Infant Academy and Nursery, we recognise the importance of teaching online safety within school. We have a named online safety lead who is Miss Shrimpton, supported by Mrs Marson who is the Designated Safeguarding Lead (DSL). We intend to promote online safety using the new tag line of 'Be Safe' - we will launch this with the children early in the spring term.

Be-safe

- S - Speak to somebody if you need help
- A - Ask an adult before going online
- F - Friends are real people we know
- E - Enjoy, play, have fun and stay safe

E-safety messages are often promoted through stories, with examples of these available on our [school website](#).

Each half term, all year groups in school focus on an e-safety topic that is taught as part of the school curriculum. The areas cover topics such as different uses of technology, being as kind to someone online as you would be to their face, what personal data is (at an age appropriate level) and to keep this to yourself, and what to do if you see something that makes you uncomfortable.

We follow the trust wide [online safety policy](#), and have software in place that blocks any unsuitable websites from being accessed from all devices within school. Children are always supervised when accessing any online content within school.

More information about online safety can be found on our school website [here](#).

Any new dates will be added in red

Upcoming Dates:

Friday 6th February	Number Day! Children will take part in a day of maths activities to promote problem solving and a love of maths in a fun and creative way. Children are invited to come into school dressed as a number themed costume which can be as simple or as imaginative as you like. Some ideas include: wearing a T-shirt with a number, dressing up as a calculator or clock, creating a costume that represents a shape, dice, or number line or becoming their favourite number! There is no need to buy anything new – homemade or recycled costumes are more than enough. The aim is to have fun and enjoy a day full of number-related activities across the school.
9th—15th February	Children's Mental Health Week During collective worships, and within some classroom learning, children will be learning how to keep themselves mentally healthy.
Tuesday 10th February	Year 1 Walk round the village Details on DoJo. If any parents can accompany the walk please contact the school office to let them know.
Tuesday 10th February	Safer Internet Day Children will be learning about keeping safe online during the day, including our moto of 'Bee Safe'.
Thursday 12th February	Passport to world views afternoon The children will be learning about the festival of Losar.
Friday 13th February	Year 2 pancake making Children in year two will be making pancakes to mark Shrove Tuesday over half term. Please ensure we are aware of all allergy information.
Tuesday 24th February	Stand up to bullying day Children will be learning about what bullying is and isn't as part of collective worship.
Thursday 26th February	Parents Evening Bookings go live. Book your parent's evening slot from 8pm today, using information sent home from the school office.
Thursday 5th March	World Book Day! Children are invited to come to school dressed as their favourite book character. There will be more exciting events taking place over the course of the week, more information to follow.
W/C 9th March	Science week Throughout science week, the children will take part in a variety of hands-on experiments, exciting investigations, and themed activities tailored to their year group. We'll also be focusing on the importance of asking questions and thinking like scientists.
Friday 13th March	Mother's Day service—Year 2 parents Year two Mums, or a female representative in their place, are welcome to join their children for a Mother's Day year group collective worship. Please enter the school via the school office for a 2:30pm start in the school hall. Only one adult per child please.

Friday 20th March	Passport to world views afternoon Children will be learning about the festival of Eid al Fitr.
Wednesday 25th March	Parents Evening—day 1 You are invited to come into school for a 10 minute slot to talk about your child's progress so far this academic year. Please book your slot via the information received from the school office from 8pm on Thursday 26th February. Appointments are available from 3:30 pm—6:30pm.
Thursday 26th March	Parents Evening—day 2 You are invited to come into school for a 10 minute slot to talk about your child's progress so far this academic year. Please book your slot via the information received from the school office from 8pm on Thursday 26th February. Appointments are available from 3:30 pm—6:30pm.
Friday 27th March	Passport to world views afternoon Children will learn about the festival of Rama Navami.
Friday 17th April	Return to Reception Parents invited to visit Reception at 2:15pm to see their child learn in the reception environment. A chance to see just how far they have come! One parent per child please.

ALLERGY INFORMATION: If you would like to know about particular allergens in foods please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

BOOK OF THE WEEK

Title: How Big is a Million

Author: Anna Milbourne

Recommended by: Mrs Mosley

A million is a VERY big number. But exactly how big?

In this book, a curious penguin named Pipkin sets off on a journey of discovery to find out how big a million is. The children in nursery have really enjoyed listening to this story and have been having a good go at guessing how big a million is, with some lovely discussions throughout the book. The illustrations are fab and at the end of the book you'll find a big surprise included. Have a read and enjoy!

Pancake Day is coming! Join us at St Peter's Dunchurch for a fun family Pancake Party, Tuesday 17th 4:30pm - 6pm.

Planning to come? Letting us know by a quick email helps us to prepare: dunchurchstpeters@gmail.com

Mood Boosters

Our mood can change, and this is completely normal. You may notice that sometimes you are feeling more tired than usual, maybe stressed or experiencing difficulties with schoolwork or friendships. Situations like these may cause you to feel a bit low, it can be really helpful to talk about these things with an adult, or someone you trust.

Whilst it is normal to feel this way at times, there are things we can do to **boost** our mood and help us to feel happier. By doing more of the things we love and value, or 'doing more of what matters', we can boost our mood. This helps us to feel less tired, have an increased sense of achievement, feel better about ourselves and have some fun!

Our tips for boosting your mood:

1. Have a look at the **BBC Moodboosters** video resources by scanning the QR code. There are a selection of videos to try, you could do these with a friend/family member, with your class, or by yourself. But most importantly, have fun!
2. The **five ways to wellbeing** - can you challenge yourself to try one of these for each day over the next week? Watch the video on the QR code for more information.
 - o **Connect** - Reach out to a friend/family member, listen to music that reminds you of happy memories, look at old photographs, or arrange activities with friends.
 - o **Be Active** - Try different ways to get your body moving. You could dance, walk, skip, or hula hoop!
 - o **Take Notice** - Spend time outside appreciating nature, maybe on your way to school or practise mindfulness
 - o **Keep Learning** - Read a new book, watch a documentary, follow a new recipe, or learn a new language.
 - o **Give** - Give someone you love a hug, hold the door open for the person behind you, or give your time to help others.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the **RISE Crisis Helpline** available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

COLLECTIVE WORSHIP

In collective worship this week, we explored the theme of respect with Picture News, considering if it was more important to play well or treat people well. We linked this with our school rule of respect and value of friendship. We also used the story 'The Camel That Had The Hump' to explore feelings that place us in the red zone as part of our work on feelings leading up to Children's Mental Health Week.

E-SAFETY TIP OF THE WEEK :

Understanding online games

Online games can be a great way for children and young people to keep busy and stay in touch with friends and family, but it's important that they play safely.

Things to consider if your child games online:

- age ratings of games they play
- messaging and contact functions on the games
- in-game purchases
- trolling, grieving and scams
- how to report problems

where they can get further support.

Also, if you have more than one child in your home, be aware that games suitable for one child to play or watch, may not be suitable for another.

Click on [Family Information Service](http://www.warwickshire.gov.uk/children-families) for a wide range of information to support families, or to request support.
