

This week has flown by—time flies when you are having fun! In Key Stage One, year two are really enjoying their gymnastics unit of work, and year one have used their historical enquiry skills to find out about toys from the past. In Early Years, reception are continuing the theme of ice and snow through their topic 'Frozen'. Pre-School are also learning about cold climates, and have enjoyed learning about different animals that live in cold places; I have been blown away by some of the children's drawing skills! Finally, Owlets have welcomed lots of new members to their class. Welcome to the families who are new to us this week.

Over the past two weeks, we have been working together to update how we promote the fundamental British Values within school, along with refreshing our personal development offer, considering the trips and experiences that we offer the children. Fundamental British Values are something that all schools are required to promote, helping children grow into safe, respectful and responsible members of society. The values and their meanings can be seen in the image to the right. We look forward to sharing our document with you once it is completed.

Thank you for your ongoing support. Have a lovely weekend.

## Attendance

At Dunchurch Infants, we aim to develop the gifts and talents of all our pupils. To help children to reach their full potential, a good level of attendance and punctuality is crucial.

We take school attendance seriously, and are bound by the statutory document 'Working together to improve school attendance' published by the Department for Education. We monitor attendance for all children on a half termly basis. A good level of attendance is at least 96% over an academic year. Once an absence level of 90% is reached, this meets the threshold for persistent absenteeism.

We will be in close contact with any family whose child's attendance drops into the persistent absenteeism range. Unless there have been exceptional circumstances, where attendance is not improving we will invite you into school to discuss how we can provide support to help your child's attendance improve. It is important that parents/carers and school work together to support the children to access their entitlement to a full time education.

We understand that sometimes there are genuine reasons for attendance difficulties such as persistent illness or a medical condition, and there are times where it is inevitable that small children become ill. The NHS webpage '[Is my child too ill for school](#)' provides useful guidance with regards to illness. Please always inform the school office if your child is too ill to attend school.

## **Punctuality**

Arriving at school on time is important as late arrivals can be unsettling for children when they walk into a classroom that has already started their learning for the day. Children also miss important information provided in registration time, where they find out what the plans are for the day ahead.

## **Holidays and absence during term time**

Absence will not be authorised during term time unless in exceptional circumstances. Family holidays are not considered exceptional circumstances, and we will be unable to authorise these type of absence requests.

For our full attendance policy, please see the [policies page](#) on the school website.

| Friday 6th February    | <p><b>Number Day!</b></p> <p>Children will take part in a day of maths activities to promote problem solving and a love of maths in a fun and creative way. Children are invited to come into school dressed as a number themed costume which can be as simple or as imaginative as you like. Some ideas include: wearing a T-shirt with a number, dressing up as a calculator or clock, creating a costume that represents a shape, dice, or number line or becoming their favourite number!</p> <p>There is no need to buy anything new – homemade or recycled costumes are more than enough. The aim is to have fun and enjoy a day full of number-related activities across the school.</p> |
| 9th—15th February      | <p><b>Children's Mental Health Week</b></p> <p>During collective worships, and within some classroom learning, children will be learning how to keep themselves mentally healthy.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Tuesday 10th February  | <p><b>Safer Internet Day</b></p> <p>Children will be learning about keeping safe online during the day, including our moto of 'Bee Safe'.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

## BOOK OF THE WEEK

**Title:** The Three Little Wolves and the Big Bad Pig

**Author:** Eugene Triviza

**Recommended by:** Mrs Rawes

A familiar clash between pigs and wolves—only this time like you've never encountered it. The three little wolves first build a sturdy brick house. When the big bad pig arrives, he finds that huffing and puffing won't budge it, so he resorts to a sledgehammer to knock it down. Next, the wolves construct a concrete dwelling, but the pig destroys it with his pneumatic drill. Determined to outwit him, they then put up an even tougher fortress of steel, barbed wire, armour plating, and a video entry system—but the pig still manages to bring it down. Only when the wolves create a delicate home from cherry blossoms, daffodils, pink roses, and marigolds does the pig's heart begin to soften...

Witty and unexpected, this picture book is a joy to read aloud. Eugene Trivizas' playful retelling of *The Three Little Wolves and the Big Bad Pig* is wonderfully brought to life by Helen Oxenbury's watercolour illustrations. I adore this humorous twist on the classic tale.

**Bouncing Back**

Bouncing back is all about 'having another go' after we are faced with challenges, this is also called **resilience**! There are times when things will not go how we planned, so being resilient will help us keep going and try again. We can all develop our ability to bounce back, so it is important to maintain a growth mindset and practise this skill by trying the following tips:

**Our tips for bouncing back:**

1. Watch this **short video** introducing resilience and 'bouncebackability'. Scan the QR code to load the video and other lesson resources:

Young Minds resources

2. Practise **problem solving** as a strategy to overcome practical difficulties and help you bounce back! Follow the steps below, you may want to write the answers down to help you:

1. What is the problem?
2. How does it make you feel?
3. What are the possible solutions?
4. What are the positives and negatives of each solution?
5. Select the best solution and make a plan to try out!

3. Think about a time when you have faced a challenge in the past...how did you overcome it? Would you do anything differently if you came across the same challenge again? You could discuss this with a friend to share ideas.

4. Build your **support network**. Having people that you trust around you through difficult times can help you to bounce back! Try to share how you are feeling with friends, family, teachers and other trusted adults in your life. You can also contact the services below if you struggle talking to people you know:

Young Minds

Samaritans

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

## COLLECTIVE WORSHIP

In collective worship this week we have considered our learning behaviour this half term which is based on perseverance and resilience—tough tortoise. We have discussed how this links with our value of courage. We have also discussed having the courage to stand up for your beliefs. The children particularly enjoyed reading the story 'Tilda tries gain'.
