Newsletter number: 16 Date: 09.01.2026

Happy New Year! We all hope that you and your families enjoyed a restful and joyful Christmas break, and that you were able to spend some time together as a family.

The children have been keen to share stories about their Christmas, presents and time spent together as a family. The children (and staff) have all returned to school with enthusiasm and have quickly got stuck into their new topics for the year. We have made the most of the wintry weather this week, with the children having the chance to experience the joyfulness of having snow on the ground.

As the school office have shared on Dojo, we have now moved to Caterlink as the trust provider for school meals. The children have spoken positively about the food so far, and have loved having access to a salad bar and fresh fruit in addition to the set menu. Later on in the newsletter you will find a letter and information from Caterlink that explains more about them as a company.

Hopefully we will see the back of the wintry weather over the weekend! We shared our emergency closure procedure on Dojo in case it is needed, but have also listed it below for anyone who may have missed it.

- Any decision to close the school will be made at the earliest opportunity. We will always aim to be open and make every effort to do so, but decisions will be made taking into account the health and safety of the school site and the number of staff who are able to travel into school.
- In the case of closure, we will post on Class Dojo and send a text message to the first contact that has been listed for each child.
- If you have not heard from us, this means that the school is open.

Thank you for your ongoing support. Have a lovely weekend.

BOOK OF THE WEEK

Title: Space Band

Author: Tom Fletcher

Recommended by: Mrs Menzies

Can the worst band in the world become the best band in the universe?

"Space Band" follows the misadventures of George, Neila, and Bash, who are the worstband on Earth. Despite their lack of talent and confidence, they are determined to win at their school's Battle of the Bands contest. However, their journey takes an unexpected turn when they are beamed up into space, where they must compete against alien bands from various galaxies. The book is a celebration of difference, self-belief, and the power of friendship, as the band members learn to work together to save not only themselves but also the planet they call home. The story is also enriched with some incredible songs performed by McFly themselves!

Mental Health in Schools Team Tips For Wellness

Emotion Regulation

Emotional regulation means helping children understand, express, and manage their feelings in healthy ways. When children can manage strong emotions, they're better able to learn, build relationships, and feel safe.

Our tips to support emotion regulation at home

1. **Stay calm first** – children co-regulate through your tone and body language.
2. **Name the feeling** – "I can see you're feeling angry" helps children feel understood. You could try using an emotions wheel as a whole family to keep the conversation familiar.
3. **Pause before reacting** – give space for emotions to settle.
4. **Reflect later** – when calm, talk about what happened and what could help next time.
5. **Celebrate progress** – small steps make a big difference!
6. **Calming activities** – Simple strategies like deep breathing, counting to 10 or squeezing a stress ball give young people ways to calm themselves. Practice these when they are feeling calm, so they are easier to use during big emotions. Ensure you are also modelling these strategies!
7. **Keep a 'calm corner'** - Create a cozy space with pillows, books, or fidget toys where children can self-regulate safely.

COLLECTIVE WORSHIP

In collective worship this week, we have learnt about the Christian festival of Epiphany and the 12 day journey of the Wise Men.

We also learnt about the year of reading, and thought about why books are important to us. We considered how the an important book to Christians is the bible, and how other religions also have books that are important to them.
