

On Friday last week, Miss Goodwin and I had the pleasure of taking a group of children to sing as part of a Multi Academy Trust concert at Coventry Cathedral. The children sang beautifully and were excellent ambassadors for the school. Year two parents can find more photos and videos on the Class Dojo pages. We were so proud of our children who were some of the youngest performers there. Well done everyone!

We enjoyed joining in with the 'Great Big Live Nativity' this week, joining in with a live assembly session that was streamed across the country. The children enjoyed joining in and learning the signs for "star", "donkey", "baby" and "welcome".

The children have been very busy preparing for our Christmas performances, and we are so proud of the enthusiasm they are showing. They have been practising their lines, learning the songs, and working hard on bringing the stories and songs to life. We look forward to sharing their wonderful efforts with you next week! Please do make sure that you have booked a ticket to attend your chosen performance. We will not be able to admit any extra people into the hall due to space restrictions.

Year two enjoyed a trip to St John's Museum, taking part in a Victorian Christmas experience. Part of the experience involved making an old fashioned Christmas pudding from scratch. It was met with some mixed reviews on tasting!

Thank you for supporting Christmas Jumper Day this week, the children enjoyed getting into the festive spirit whilst also fundraising for charity.

The PTA have been putting on a Christmas party for all year groups today, which the children have enjoyed. We would like to thank them for all that they do for the children.

Thank you for your ongoing support. Have a lovely weekend.

Reading for pleasure

At Dunchurch Infants, reading is at the heart of our curriculum. We aim to support children to develop a love of reading and promote reading for pleasure. We promote reading through:

- A dedicated daily story time timetabled for each class, with carefully selected high quality children's texts
- High quality texts used within lessons
- Each child having the opportunity to visit the school library on a weekly basis
- Access to high quality texts within the library
- Sponsored read and reading challenges
- A reading scheme that promotes familiarity with a text, building fluency and confidence with reading before the book is sent home
- Events such as world book day, Pyjamarama and vocabulary day
- A dedicated reading area in each classroom
- Author and illustrator visits, either in person or online

Research demonstrates that reading for pleasure is one of the most important indicators of a child's success in school, both in terms of academic progress and mental wellbeing. Reading for pleasure gives children the opportunity to use their imagination to explore new ideas, visit new places and meet new characters. It helps children to understand their own identity and gives them an insight into the world and the views of others.

You can promote reading for pleasure at home by:

- Accessing books from different genres and authors. The school and local libraries can support with this.
- Setting aside special time for reading within the day or week
- Model reading yourself as an adult
- Reading to and alongside your child, even once they are able to read texts themselves
- Providing opportunities for children to read to others, such as to their younger siblings or even their teddies
- Listening to audiobooks
- Setting challenges such as can you read 20 books in the month of August (or 10 for older children who are starting to read early chapter books!) Dunchurch library regular holds a summer reading challenge.

BOOK OF THE WEEK

Title: My Letter to Santa

Author: Caroline Richards

Recommended by: Stripy Owls

In Stripy Owls this week we have been enjoying reading festive stories. This particular book "My letter to Santa" is a lovely book to read as it has sparked lots of conversations. In this story a little boy called Sam writes his letter to Santa. We get to see how the letter travels to Santa. But Sam's letter was different to other letters that Santa receives. The letter was special, as it was glowing bright, which made Santa pick it out from all the other letters in his sack. Sam had thought of someone else when writing his letter to Santa which made it extremely special and showed Christmas spirit.

Stripy owls had a lovely time reading this story we hope you enjoy it as well.

Merry Christmas!

Setting Future Goals

Setting goals helps you stay focused, motivated, and positive. They give you something to look forward to and remind you that *you're in charge* of your own journey. It's normal to feel a bit nervous when you think about the future, but looking forward can actually *help* your mental health. Looking to the future helps to build confidence, can give you direction and encourages optimism. Thinking about what's ahead reminds you that good things can still happen — even when times feel tough.

Our Top Tips For Setting Goals:

1. Start Small

Big dreams start with small steps. Pick one thing you'd like to improve—like sleeping better or spending more time outdoors.

2. Make It Realistic

Choose goals that feel *possible*, not perfect. For example, "I'll talk to a friend once a week" is easier than "I'll never feel lonely again."

3. Be Kind to Yourself

Progress takes time! Celebrate small wins and don't be hard on yourself if things don't go perfectly.

4. Write It Down

Keep a journal or use your phone to track how you're doing. Seeing your progress boosts confidence!

5. Ask for Support

You don't have to do it alone. Talk to someone you trust — a friend, teacher or family member— about your goals.

6. Balance Is Key

Make time for fun, rest, and creativity. Mental health goals should make life *feel better*, not busier.

More information
about goal-setting!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the Children and Young People's Mental Health Crisis support available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

COLLECTIVE WORSHIP

In collective worship this week, we have focused on what Christians believe the real meaning of Christmas to be—celebrating the birth of Jesus. We enjoyed joining in with the 'Great Big Live Nativity' this week, joining in with a live assembly session that was streamed across the country. The children enjoyed joining in and learning the signs for "star", "donkey", "baby" and "welcome".

E-SAFETY TIP OF THE WEEK :

There are real advantages in maintaining an open dialogue with your child about their internet use. Not sure where to begin? These conversation starter suggestions can help.

1 Ask your children to tell you about the sites they like to visit and what they enjoy doing online.

2 Ask them about how they stay safe online. What tips do they have for you, and where did they learn them? What is OK and not OK to share?

3 Ask them if they know where to go for help, where to find the safety advice, privacy settings and how to report or block on the services they use.

4 Encourage them to help someone! Perhaps they can show you how to do something better online or they might have a friend who would benefit from their help and support.

5 Think about how you each use the internet. What more could you do to use the internet together? Are there activities that you could enjoy as a family?
