

Dunchurch Boughton C of E Infant Academy and Nursery

Roots to grow. Wings to fly.

Newsletter number: 13 Date: 03.12.2025

Christmas has arrived at Dunchurch Infants! On Sunday, a group of children met Mrs Owen to take part in a nativity service and lights switch on at the local church. The children sang Away In A Manger beautifully. On Monday, the whole school visited Warwick Arts Centre to see The Tiger Who Came To Tea which the children thoroughly enjoyed. On Wednesday, we visited St Peter's to take part in a church service and met Rev. Ian for the first time as a whole school. We have also taken part in the local Posada from Willoughby (see the collective worship section), and today myself and Miss Goodwin will take a group of children to perform in a Christmas choir concert at Coventry Cathedral! The children have behaved brilliantly throughout all the special events this week, showing respect, enthusiasm, and support for one another. They have represented our school wonderfully this week, and they should be very proud of themselves.

A lot of the events over the past two weeks have involved parental support. From volunteering on the trip, supporting walking the children to church, and donating items to be used in the Christmas hampers, your involvement has made a huge difference. We are truly grateful for the time, enthusiasm, and generosity you have given; we couldn't carry out these events without you.

Thank you to those parents who have booked their tickets to attend a Christmas performance. Please do make sure that you book a ticket if you are planning to attend as we will be unable to admit additional people into the hall. The school office are happy to support if anyone is experiencing difficulty in doing this.

Thank you for your ongoing support. Have a lovely weekend.

Suzanne Marson

Spotlight on

Zones of Regulation

At Dunchurch Boughton C of E Infant Academy and Nursery, we recognise the importance of promoting positive mental health and emotional wellbeing. By implementing the Zones of Regulation within our behaviour curriculum, we aim to teach our children to identify emotions in themselves and others, and provide them with a bank of strategies to help regulate their emotions when needed.

The Zones of Regulation is a curriculum based around the use of four colours, helping children to identify how they are feeling. The children are taught that there are no 'bad' emotions, and that all emotions are felt by everyone at some time. The children learn different strategies to cope with and manage their emotions, based on which colour zone they are in.

The ZONES of Regulation™

			
BLUE ZONE Sad Sick Tired Bored Moving Slowly	GREEN ZONE Happy Calm Feeling Okay Focused Relaxed	YELLOW ZONE Frustrated Worried Silly/Wiggly Excited Loss of Some Control	RED ZONE Mad/Angry Terrified Elated/Ecstatic Devastated Out of Control
The blue zone is used when a person is feeling low states of alertness or arousal. When you're in the blue zone you may be feeling down - sad, sick, tired, or bored. You're still in control, as you are in the yellow zone, but with low energy emotions. 	The green zone is used to describe when you're in a calm state of alertness. Being in the green zone means you are calm, focused, happy, or ready to learn. This is predominantly the state you want to be in. 	The yellow zone describes when you have a heightened sense of alertness. This isn't always a bad thing, and you typically still have some control when you're in the yellow zone. 	 The red zone describes an extremely heightened state of intense emotions. When a person reaches the red zone, they're no longer about to control their emotions or reactions.

Any new dates will
be added in red

Upcoming dates:

Monday 8th December	Wrap Around Care (Owls) bookings for Spring Term 2026 go Live! At 8pm on Monday 8th December 2025 bookings will go live on Magic Booking. Please let the office know if you have any problems logging into your account.

BOOK OF THE WEEK

Title: A Little Bit of Winter

Author: Paul Stewart

Recommended by: Miss Shrimpton

We LOVE this book in Reception, it's one of my favourites too! It has been the inspiration behind lots of our recent ice experiments which the children have loved.

In this story Hedgehog is desperate to know what Winter feels like, so his friend Rabbit, saves him some for when he wakes up after he has hibernated. When Hedgehog wakes up, he looks at the snowball that Rabbit has saved for him. It looks like Winter, it smells like Winter, he holds it in his paws, "ouch!" Hedgehog cries, "it bit me!". Rabbit tells his friend, "that, is what Winter feels like".

How would you describe Winter? I think I'd agree with Hedgehog - it's freezing!

Sleep

Our bodies need sleep and rest to help us function every day. When we are sleeping, it gives our brain and body time to repair and regenerate, re-energise and improve our motivation. We also need sleep to be able to process information, problem solve, learn new things and concentrate (you might notice you find it particularly difficult to focus at school after a bad night's sleep!) Sleep also benefits our mental wellbeing, by helping us to regulate our emotions and mood.

It is important to find time for our brain to completely 'switch off' and rest, to take some time out of our busy day to stop, take a break and do something that promotes our wellbeing!

Our tips for improving sleep:

1. **Maintain a regular sleep schedule** – this includes going to bed around the same time every night, as well as waking up at a similar time every morning (even on weekends!) Sleeping in later than normal can disrupt the body's circadian rhythm, which can lead to more tiredness.
2. **Create a calming environment** - dim the lights an hour before bed. Keep the room dark, if possible, try using an eye mask or black out blinds. A cool bedroom and slight drop in body temperature can help us to go to sleep.
3. **Reduce electronics** – using electrical devices before bedtime is one of the main reasons we have sleep difficulties. The light exposure on the screens can trick our brain into thinking it is still daytime, which stops our body from being able to wind down and feel tired! Turn devices on night mode or leave outside your bedroom to limit temptation.
4. **Minimise daytime naps** – napping during the day can make it harder to fall asleep at night, they also break up sleep (which means lower quality sleep and fewer benefits)
5. **Complete homework after school** – getting stuck into homework tasks before bed can delay tiredness, as our brains are busy trying to concentrate! Try to do activities that relax you before bed, to help you switch off from schoolwork.
6. **Spend time relaxing** – you may want to have a shower or run a warm bath, listen to calming music, read a book, journal or keep a diary from the day, stretch, meditate, or spend time with a pet.
7. Scan the QR code for more helpful information and **sleep tips!**

In Coventry and Warwickshire, for any urgent mental health concerns, contact the Children and Young People's Mental Health Crisis support available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

COLLECTIVE WORSHIP

In collective worship this week we have taken part in the local Posada from Willoughby. The Posada is travelling around local schools and homes, representing the journey that Mary and Joseph made from Nazareth to Bethlehem.

We have also considered the season of advent, and have learnt about the candles on an advent wreath.

E-SAFETY TIP OF THE WEEK :

Help manage what they see and do online

Parental controls and privacy settings can help you manage how your child spends time online and help to keep them safe.

- **Device settings** – manage things like location sharing, screen time and in-app purchases. Most tech and gaming companies have dedicated pages to support with setting these up.
- **App or game settings** – in-app tools that can help to keep your child's account private and manage who they're talking to. You can normally find information on these in account settings or directly on the platforms website.
- **Mobile or network provider settings** – help to manage browsing access and stop your child from visiting inappropriate sites or downloading apps that aren't suitable. Contact your mobile or broadband provider for more information about setting this up.

Make sure to talk to your child first before implementing any new settings and explain to them how they help to keep them safe.

 CHRISTMAS SPECIAL
 MULTI-SPORTS CLUB

TJ SPORTS ACADEMY is back **FOR 2 DAYS ON MONDAY 22nd AND TUESDAY 23rd DECEMBER FOR CHRISTMASY SPORTING FUN !**

Letters have been handed out at the Junior and Infant schools. Thank you to everyone who has signed up already! There are still spaces remaining , letters are available from either school office or myself (Mr James). We are **SUPER EXCITED** for this one with all our usual sports (plus more Christmas FUN) and brand-new **PRIZES !**

Thanks again for all your continued support.

Any questions please do not hesitate to contact.

Mr James and the TJ SPORTS ACADEMY team
