Roots to grow. Wings to fly.
Newsletter number: 12 Date: 28.11.2025

We have had another busy week. The word 'Christmas' has started to be mentioned around school. The stage has been put up, rehearsals have started, and we will celebrate the start of Advent with a visit to St Peter's Church next week. We have lots of events planned over the festive season, so please keep an eye on the newsletter dates for upcoming events.

Over the past two weeks, I have been visiting each classroom to look at writing lessons across the school. I have been delighted with how hard the children have been working, the levels of behaviour displayed across the school, the quality of the work the children have been producing, and, of course, how hard our fabulous staff work. Well done, everyone!

You will have seen that we have been advertising for a Parent AGC member (governor). We have received a high number of applications across the two schools, meaning that a parental ballot will now take place. Parents across both Dunchurch schools are invited to vote for who they feel the AGC member should be. Please click on [this link](#) to read supporting information about each candidate, and to cast your vote. The deadline for voting is 12pm on the 12th of December 2025.

Warwickshire County Council has launched a public consultation on proposed changes to its Home to School Transport Policy, which could impact some of our children. Residents are invited to share their views on a series of updates aimed at improving fairness, consistency, and compliance with home to school national guidance. As part of the consultation, a series of information sessions are being held across the county, both in person and online. To view the consultation documents, book a session, or share your views, please visit - [Home to School Transport Consultation](#).

A reminder that on Sunday at 4pm, the children are invited to take part in the Dunchurch Christmas lights switch on. Mrs Owen will be attending from school and is looking forward to seeing many of the children there.

Thank you for your ongoing support. Have a lovely weekend.

Spotlight on

Rewards

At Dunchurch Infants, we recognise that children are motivated by and respond to praise and rewards. We have a range of rewards that children can achieve each week. Detailed below are the rewards we offer, with a brief outline of how the children can achieve these.

Ongoing on a daily basis

Lots of positive praise and encouragement is given to children each day by the adults within school.

We have six learning behaviours in school. The focus learning behaviour of the half term and the skills developed are included on the weekly newsletter. If children display any of the learning behaviours, they can be rewarded with a learning behaviour sticker from their class teacher.

Each class has a recognition board – The teacher outlines a focus for the hour, morning, afternoon, day or week for children to work towards as a class e.g. superb sitting displayed. Children's names are added to the board as they display the behaviour, with the target that all children have their name on the board by the end of the time period.

Weekly basis

Children have the opportunity to demonstrate their skills throughout the week, which may result in a certificate or sticker being achieved as part of Friday's Celebration Worship.

- Learner of the week – Class teachers select a child from each year group who has demonstrated the learning behaviour focus of the half term. Children are presented with a certificate and sit on the golden table at lunchtime.
- Hot chocolate Friday—Each week the class teachers choose someone who has been exceptional in their class. They then join an adult, usually Mrs Marson, for hot chocolate on a Friday afternoon.
- Gold book—Each half term we have a focus school value—this can be seen on the newsletter. If children are spotted displaying the value around school, an adult may put them into the gold book that week. Children are rewarded with a values sticker.
- Caught doing the right thing—At lunchtime, if the children are spotted doing the right thing, they will be given a raffle ticket from the Midday Supervisors. The raffle tickets go into a pot, and one is drawn at random each week with the child whose name is drawn receiving a certificate. At the end of each half term, the tickets all go into a big pot and the winning child receives a prize.

Children are always welcome to bring in rewards from home, such as certificates and trophies, to share with the rest of the school on a Friday.

Our full relationships and behaviour policy can be found on the [school website](#).

BOOK OF THE WEEK

Title: The Shark in the Dark

Author: Peter Bently

Recommended by: Mrs hatfield

It's Chaos in the Ocean!

The shark in the dark is heading this way and he's HUNGRY!

Will the flustered fish become saltwater snacks, or can they come up with a plan to teach that great greedy shark a lesson he'll never forget?

The children in Spotty Owls love this story, (I think it may have something do with having a shark as the main character!) and they excitedly join in with it. It is a wonderful story of collaboration, teamwork, and cleverness. It encourages us all to face our fears and work together to solve problems.

Inclusion and Belonging

Inclusion means making sure everyone feels welcome, accepted, and valued, no matter their differences. It's about creating a space where everyone feels like they belong—whether it's at school, at home, or with friends. Belonging means feeling like you are part of something and that you matter.

How to make others feel included:

1. **Be Friendly and Approachable**
Smile and say hello to people to make them feel welcome.
2. **Invite Others to Join In**
When you're playing a game or starting a conversation, invite others to join in. This could stop them from feeling left out.
3. **Listen to Everyone**
Take the time to listen to others, showing them that you care about what they say, even if their opinions are different from yours.
4. **Celebrate Differences**
Embrace everyone's differences and learn from them. It's what makes us all unique!
5. **Use Positive Words**
Use words that make others feel good, rather than teasing or making fun of them.
6. **Be Open-Minded**
Try to see things from someone else's point of view, to help build respect and connection.

Tips for feeling like you belong:

- **Be Yourself** – Don't try to change who you are to fit in. You belong just as you are!
- **Find Your Tribe** – Surround yourself with people who support and accept you. Finding people with similar interests to you can be a great place to start.
- **Take Care of Others** – When you make others feel like they belong, you help create a sense of belonging for yourself too.

COLLECTIVE WORSHIP

We have continued to think about generosity this week, using stories to help us consider how we can be generous. We recapped that some ways we can be generous are through:

- Giving time
- Sharing
- Demonstrating kindness
- Helping someone who is hurt or upset
- Making donations

E-SAFETY TIP OF THE WEEK :

With lots of children receiving various pieces of technology from Santa over the Christmas break it's worth reminding ourselves that we are role models to our children.

'Let's inspire change by modelling how to be safe online'

Just like in their offline lives, children need role models online too. Set clear and fair expectations about how the whole family should use the internet and technology, and demonstrate these yourself. A Family Agreement is a great way to start conversations and put your ideas down on paper, to refer back to later and adapt as your child and your family's internet use changes.
