

Dunchurch Boughton C of E Infant Academy and Nursery

Roots to grow. Wings to fly.

Newsletter number: 11 Date: 21.11.2025

We have had a busy week in school, with lots of learning taking place. We were delighted to share the school with prospective parents on Wednesday evening, and received many positive comments on the school environment. We are still showing prospective parents around for individual and group tours, please do share this information if you are aware of anyone who is looking for a school space.

The churches in Dunchurch have invited us to take part in the Christmas tree light switch on, taking place on Sunday 30th November at 4pm, and we would love for children across the school to join us if they can. We have started to learn 'Away in a manger' and will sing this accompanied by the brass band. If you are able to join us, please gather by the war memorial outside of St Peter's Church just before 4pm. We will then gather the children together in an area to sing. We look forward to seeing some of you there!

On Wednesday, the children joined a live Road Safety assembly, where they learnt how to safely walk and 'wheel' to school. Thank you to Miss Shrimpton for arranging this the children.

Don't forget that booking opens for Christmas play and carol concert tickets next week. Mrs Pilbeam will post the information on Dojo so that you can check your account before booking opens. If you have any difficulties, please contact the school office.

Thank you for your ongoing support. Have a lovely weekend.

SEND

Who can I talk to if I am concerned my child may need additional support?

In the first instance, you would discuss your concerns with your child's class teacher. You can also contact Mrs Hannah Owen who is our school SENDCo who will be happy to meet to discuss your concerns related to SEND, including mental health.

What is an EHCP?

An EHCP is an Educational Health and Care Plan. It is a legal document which details the child's needs and how the child will be supported. Most children and young people with SEND are supported in schools without an EHCP and you do not need one to receive additional support. An EHCP formalises the support your child will receive. EHC Plans are for complex, long-term needs and when a child's progress suggests they need more targeted support.

What are the 4 broad areas of need?

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

What is SEND?

SEND stands for Special Educational Needs and/or a Disability.

A child has SEN if they:

- have significantly more difficulty learning than most others their age
- have a disability which prevents them taking part in similar learning to others of the same age
- need extra support that is 'additional to' and 'different from' the support that other children of the same age get

The other part of SEND is Disability-

- A disability is defined as a physical or mental condition which has a long-term and substantial impact on your daily life (Equality Act 2010).
- It can be physical, e.g cerebral palsy
- It can be neurological, e.g autism spectrum disorder

If a child has a disability that does not affect their learning, they are part of SEND but do not have Special Educational Needs (SEN).

What is an IEP?

An IEP is an individual education plan which all children on the SEND register will have. These consist of SMART targets which the child will focus on in the next term. These are reviewed and written every term and are shared with parents/ carers within IEP meetings. Parents and carers have the opportunity to contribute to their child's IEP review and new targets.

Warwickshire local offer:

Warwickshire's SEND local offer brings together information about the local services and support available across education, health and social care for families with children and young people aged 0 to 25, who have special educational needs and/or disabilities.

Up Coming Trips Reminder

This is a quick reminder that we have two trips happening across the school in early December. The Tiger Who Came to Tea at Warwick Arts Centre (1st December 2025) for the Whole School and The year 2 trip to St Johns Museum, Warwick (9th December 2025).

Payment for both trips can be paid via ParentPay (please use the link below). If you are having any issues with logging on or finding your account please contact the office.

ParentPay - Leading Cashless Payment System for Schools

Payment for the Tiger Who Came To Tea is due by Monday 24th November.

Volunteers

We now have enough volunteers for both of the above trips and will contact everyone to confirm timings etc next week.

We would however still appreciate a few more volunteers for the walk to St Peter's Church on Wednesday 3rd December. Please email the office to let us know if you are available and would like to come along.

Winter Wellness

It is important to focus on our wellness during the colder months. Winter is a time where our bodies may start to crave the same warmth and comfort we had during the summer months. We might associate winter with the winter blues, but we need to try and create some space for self-care and slow down to nourish our physical and mental health! Sometimes we might feel the winter blues because of the lack of sun and vitamin D we are getting. This is why our mental wellbeing should be a big focus during these months, and we should find creative ways to stay on track, keep up motivation, and look after ourselves.

Our Top Tips For Winter Wellness:

1. Wrap up warm and lay down with a blanket and a hot drink.
2. Do some **fun activities outside** in the natural sunlight such as going for walks or seeing friends (you might need to wrap up warm for this!) Even on cold days, fresh air and natural light boosts our mood.
3. **Stay active** – try indoor exercises to help get your body moving during the colder months. You could keep your energy up by dancing, swimming, or practising yoga. You could also find an exercise video online for you to do at home!
4. You might even want to go to your local café and read a book in the daytime or have a warm relaxing bath when you're home after a cold day.
5. **Keep up your routines** – getting up in the morning is harder in winter when it's cold and dark. Shorter days also make it tempting to sleep more, but consistent sleep helps your mind feel balanced.
6. **Eat well and stay hydrated** – good nutrition fuels your brain and body.
7. **Talk about how you're feeling** – sharing your thoughts can help if you're feeling low or stressed.

Remember to always make time for yourself at the end of a long day!

Scan the QR code for more ideas about how to keep well in Winter.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the Children and Young People's Mental Health Crisis support available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

COLLECTIVE WORSHIP

This week, we have focussed on the value of generosity. We have used the stories 'Have you filled a bucket today' and 'The squirrels who squabbled' to explore different ways that we can show generosity such as:

- Time
- Sharing
- Kindness
- Helping someone who is hurt or upset
- Making donations

E-SAFETY TIP OF THE WEEK :

Talk with your child about responsible use of their laptop

Discuss what is okay and not okay to use it for and look at the possible risks. Tell your child what they should do if something goes wrong while using it. This could be to close the screen and tell an adult. See below for conversation starter ideas.

Think about the location of the laptop

Will it be used in a shared family space or in a bedroom? Think about: setting time limits; reminding your child about the risks of communicating online with people that they do not know; and encouraging them to come to you with any worries.

Explore parental controls

Take a look at the controls available both on the phone itself and on your home Wi-Fi. Talk these through with your child too. Parental controls are a helpful tool, but an open conversation with your child is the most important thing.
