Academy and Nursery**
Roots to grow. Wings to fly.
Newsletter number: 04 Date: 26.09.2025

This week has been recycling week, and we have been focusing on how we can recycle more in school. This has included discussing food waste, and how if we haven't eaten our food we can use some of it for composting.

Thank you to everyone who attended the curriculum evenings for nursery, reception and year two this week; we hope that everyone found them useful. For those parents who were not able to attend, the slides will be uploaded to the class Dojo pages. Year one curriculum evenings will take place next Tuesday.

Next week we have our Harvest Service for reception parents. Unfortunately the hall is not ready for us to use yet, so we have decided to hold this in the reception classrooms. Please enter the school via the school office if you are planning to attend.

Thank you as always for your support. Have a lovely weekend,

Suzanne Marson

Headteacher

Please see a message from the PTA below:

Thank you to everyone who donated and supported our first PTA event of the year. £135.50 was raised.

Spotlight on

Attendance

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

At Dunchurch Boughton C of E Infant Academy and Nursery, we are committed to ensuring that our children receive their full entitlement of teaching and learning opportunities, through working with parents and carers to overcome barriers to attendance and punctuality. We have a named senior leader who leads on attendance; this is Mrs Owen.

In each year group, lesson content is sequential and builds on prior learning. If children do not attend school regularly, this leads to lost learning opportunities and gaps in the children's learning.

Unless a child is unwell or has a medical appointment, we would expect children to be in school. Children are at school for 190 days per academic year, so we ask that events such as family holidays are taken outside of these times. We are unable to authorise absence requests for family holidays in term time.

We set a target of 97% for school attendance. If children have an attendance rate of below 90% this means that they are classed as a persistent absentee, and steps will need to be taken to ensure better attendance. Twenty days of school will have been missed over the course of the academic year, leading to four weeks of lost learning opportunities.

From August 2024, new attendance expectations become statutory from the Department for Education. We work alongside Warwickshire Attendance to ensure these expectations are met, including making referrals for support where needed.

We are very happy to provide support to any family who are experiencing difficulties with attendance, please do contact the school office or Mrs Owen in confidence if this is the case.

BOOK OF THE WEEK

Title: The Gruffalo

Author: Julia Donaldson

Recommended by: Miss Ansell

The story begins with a little mouse walking through the forest. He meets a hungry fox, then an owl, and a snake—all of them want to eat him! But the clever mouse doesn't panic. Instead, he makes up a story about a creature called the "Gruffalo"—a monster with huge tusks, claws, and a scary roar. The mouse tells the animals that the Gruffalo is his friend, and they're all too scared to mess with him.

But then... surprise! The mouse meets the real Gruffalo, and now he has to be smart to escape. Can the little mouse outwit the Gruffalo just like he did with the other animals?

You'll have to read to find out!

Persistence

Persistence is all about keeping going, even when times are challenging. It is normal to want to give up when you are going through something difficult, but if you can stick with it and overcome the obstacles, you will be closer to achieving your goals.

Having a **growth mindset** will help us persist, which means you believe you can learn, grow and develop your skills by putting in the hard work and practise. This can be tricky, so make sure you reach out to friends and trusted adults to support you.

Our tips for persistence:

1. **Break the goal down into smaller steps.** You can set yourself smaller goals that are more achievable, to help you reach your ultimate goal. Make sure the smaller goals are linked to your ultimate goal; this may help to encourage you to keep going, as you will be able to measure your progress.
2. **Try something new** – this could be a new hobby, sport, craft activity, or puzzle. Having a go at something new can help to develop your persistence, whilst also having fun. You might find it challenging at first, but you will receive a greater sense of reward and achievement by sticking with it!
3. **Positive self-talk** – instead of saying "I can't", add "yet" onto the end of the sentence. This tells your brain that it might be difficult, but you will get there in the end.
4. **Talk to yourself like a friend** – we are often kinder to our friends than we are to ourselves, when we go through challenging times. Practise talking to yourself like you would talk to a friend! What advice would you give if a friend told you they were rubbish at something? What would you say if they felt they wanted to give up?
5. **Practise mindfulness.** A good way to improve our mental wellbeing is by paying more attention to the present moment and the world around us. Think about sounds and smells around you, what can you see, and how does this make you feel. By being more aware, this can improve our mental wellbeing and enable us to improve skills such as being persistent.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

E-SAFETY TIP OF THE WEEK :

Manage influence by being aware of the different things which engage your child online:

Your child might be influenced by a range of different things when online, such as exciting adverts, their favourite characters, and even by their friends. Not all influence online is negative, but it is important to be aware of what is engaging your child online and the impact this could have on them as they get older. Balance online influences with your own and your child's thoughts by talking about what they see and hear.

COLLECTIVE WORSHIP

This week in collective worship we have focussed on International Day of Peace, learning about Noah's Ark.

We also considered how we can improve our recycling in school as part of recycling week.
