

Dunchurch Boughton C of E Infant Academy and Nursery

Roots to grow. Wings to fly.

Newsletter number: 03 Date: 19.09.2025

We've had a busy week in school. From history, to PE, to retelling stories and writing, the children continue to enjoy their learning and work as hard as they can.

Do you shop at any of the Tesco stores in Rugby? Our school is about to feature in the blue token scheme. From the first week in October until mid January, you will be able to vote for our school. We will receive a donation of between £500 and £1500, depending on the token position. I filled in the application form before the fire happened to support the purchase of some new library books. Any prize money received will be a welcome addition to help us to continue to stock the library further with some high quality children's books.

Don't forget that it is our curriculum evening next week. This is your chance to meet the teacher, find out what the children will be learning this year and the methods that will be used to teach them. We hope to see many of you there!

Unfortunately we need to rearrange the year one curriculum evening due to take place next Wednesday. Instead of the evening taking place on Wednesday 24th September, it will take place on Tuesday 30th September, with session 1 taking place at 4:30pm and session 2 taking place at 5:15pm. Please note that this change is for year one only, not for any other year group. Slides will be uploaded to Dojo after the session for anyone that cannot make it. We are sorry for any inconvenience that this may cause.

We are currently advertising for a Midday supervisor to join our team. If you would be interested in this role, please let us know.

Thank you for all your ongoing support, wishing you a lovely weekend.

Spotlight on

As you know, we use Class Dojo as our method of communication with parents. As we are now in a new academic year, it is a good time to remind ourselves of all the things that Dojo has to offer and how we use Dojo as a school.

It is possible for messages to be sent directly to your child's class teacher or members of the leadership team within Dojo. These are private messages that are between the sender and recipient. The leadership team cannot see any messages that you send to teachers, and we expect that any messages that you receive from school staff are kept private. Please note that staff have 48 hours to reply to any messages. Any urgent messages, or messages about appointments and illnesses, should continue to be sent via the school office.

Class Dojo is an APP that is **free of charge** for parents. We do not recommend that you sign up to pay for the additional features, as we will not use these features as a school.

Parents sign up to Dojo through an invitation that is sent home. This invitation only extends to the parents of the child; we do not allow anyone who is not a parent onto Dojo unless there are family situations which have already been discussed with us in advance.

Parent

The 'school story' is where you will find information about what is taking place across the whole school, including nursery. This includes the publication of the weekly newsletter. This area can be viewed by all parents across the school. Feel free to 'like' or comment on posts—we love to hear your feedback.

The 'class story' is where you will find information about what is going on within your child's class. Only the parents of children in that class can see this page; it is not open to the whole school. Teachers are asked to share learning with you two to three times per week. Feel free to 'like' or comment on posts—we love to hear your feedback.

Within both the school story and class story you can see 'events'. This acts as a calendar to show you what events are due to take place in the future. We endeavour to place all events from the newsletter onto Dojo to serve as a helpful reminder.

One feature within Dojo is 'Dojo points'. This is not something we currently use as a school. Instead, we use the rewards listed within our behaviour policy.

BOOK OF THE WEEK

Title: The Boy Who Grew Dragons

Author: Andy Shepherd

Recommended by: Mrs Oliver

Tomas took a furry fruit from his Grandads tree and gets the delight of his life when a tiny dragon hatches!

Tomas has to learn how to look after it – and quickly. Then something extraordinary happens. More dragon fruits appear on the tree. Tomas is officially growing dragons!

Hilarious, warm and full of magic this book is inspiring and creative. It contains the realities of caring for a pet.

At the heart of the story is the relationship between Tomas and Flicker, his dragon. The trust and mutual respect that grows throughout the story is lovely!

Strength

Each of us has a unique set of strengths and abilities that help us face life's challenges. Focusing on your strengths doesn't mean ignoring your weaknesses — it means using what you're naturally good at to help you grow, build confidence, and work through tough times. In doing so, you move closer to living a more fulfilling and resilient life.

Our Tips for strength:

1. **Appreciate your strength** — when you experience a difficult time, it's easy to forget how strong you are! Try and remember other times in your life when you've got through something challenging. Remember how strong you were to get through those circumstances and know you have the strength to get through other difficulties too.
2. Remind yourself **"all we can do is try our best"** and **"you are good enough"**.
3. Being kind to others can help build our own strength as well as others! As a class, have a go at playing **"kindness bingo"** by following the QR code: 
4. **Take Time to Rest and Recharge** — your mind needs breaks just like your body. Take a few quiet minutes to breathe, read, draw, or go outside. That helps your brain feel strong and calm.
5. **Ask for Help When You Need It** — being strong doesn't mean doing everything alone. It's smart and brave to ask for help — that's how we grow and learn!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling 045 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.
Please contact your school's Mental Health Lead for information and advice.

E-SAFETY TIP OF THE WEEK :

Applicable for iPads/iPods/iPhones –

it is important to make sure that your iTunes (if your child has access to this on their device/s), has the parental preference turned on, through this you can then decide which shows and ratings are appropriate for the device you are on and other devices (which may belong to children).

COLLECTIVE WORSHIP

In collective worship this week we have learnt about our school rules of ready, safe and respect. We have also considered the story of The Good Samaritan, and how we can treat one another as we would like to be treated ourselves.

Harvest Festival

From Monday 29th September, we are inviting children across the school to bring any donations into school before Friday 3rd October, to be donated to Hope 4, Rugby Foodbank.

Last year, thanks to the generosity of local schools, churches, and community groups, emergency food was provided to 6,333 people — including many children. The food bank would like to pass on how incredibly grateful they are for the support shown across the area.
