

This week, the spotlight has been on our amazing year two children who have truly shone during their end-of-year celebrations, creating wonderful memories for everyone to cherish. They performed not just one, but two leavers' shows, showcasing their talents with confidence and joy. From their expressive acting to their beautiful singing, each child took to the stage with pride and every performance was absolutely fabulous! On Thursday, the children let their hair down at a fun-filled disco, where they enjoyed dancing with their friends and teachers. The marquee was filled with laughter, music, glitter and plenty of happy faces! In addition to this, the children wowed us all with traditional maypole dances! A huge thank you to the staff for all their hard work in putting everything together, and to the PTA who supported with the disco.

We have met with contractors on site today, and we are looking forward to them completing a lot of decoration work over the summer, including the main corridor and the reception classrooms which are having a full refit — they are going to look amazing! Work on the hall will also be taking place.

We will continue to use our online reading books for now until we receive money from the insurers to replace the full reading scheme. Class teachers will make sure that every child has six reading books assigned to them over the summer. Thank you for the positive feedback that has been received with regards to the books.

Your child's end of year report has been sent home this afternoon—don't forget to check your email inboxes! A reminder that there is a chance to talk to your child's class teacher about reports as part of the open evening next week.

Wishing everyone a lovely weekend in the sunshine.

Summer Reading Challenge 2025

Dear Parents,

Every year the Warwickshire Library Service supports the Summer Reading Challenge set annually by the Reading Agency. The aim is to help children sustain their reading skills and habit through the six week summer holiday.

At Dunchurch Community Library we have successfully hosted this challenge many times and we are enthusiastic about this year's theme: Story Garden.

The scheme will launch on the 6th July and continue until the start of school in September and will be accompanied by stickers to collect, a medal to achieve and a certificate to record their success.

When the children have completed reading their six books they will be awarded a medal for their efforts and, when the new term starts, a certificate of congratulation will be prepared, with their name in calligraphic script, and delivered to their schools for presentation in September.

Of course the children can read as many books as they like during the Challenge but six (one per week of the summer holiday) is a minimum. They can do their reading in as many ways as necessary to accommodate going on holiday (all done before they go; make a start, go on holiday, finish off when they return etc).

Rugby library will be taking part too and it may be more convenient for you to enrol there; but we at Dunchurch are looking forward to meeting parents and children when the scheme starts in on 6th July.

Best Wishes,

Clive Cotton, Volunteer at Dunchurch Library

BOOK OF THE WEEK

Title: The Rainbow Fish

Author: Marcus Pfister

Recommended by: Mrs Srivastav

A classroom classic that has become treasured by children and adults alike. Rainbow Fish has glittering scales and is the most beautiful fish in the ocean. When his vanity gets in the way of friendships with the other ocean creatures, Rainbow Fish becomes lonely and isolated. He shares his beautiful scales and learns that connecting with others is much more important than being the shiniest fish. A lovely story time favourite about the values of sharing and friendship.

Transitions

Moving to a new school, changing classes, or starting secondary school are big moments in a child's life. Transitions can be challenging for young people due to the loss of familiarity. Children often imagine worst-case scenarios if they do not know what to expect, which can impact their mental health and wellbeing. Some children can put pressure on themselves to adapt quickly to new situations, even if they are truly feeling worried or stressed!

Your child may present with; anxiety or worry, withdrawal, sleep problems, clinginess or irritability. Keep an eye out for any changes in their mood or behaviour in the lead up to September!

Our top tips for a smooth transition:

1. **Talk it through** – let your child express their feelings. Be calm and reassuring.
2. **Build familiarity** – if your child is starting a new school, explore the route together and encourage your child to engage in transition days.
3. **Keep a routine** – Stick to regular sleep and mealtimes in the lead-up to school changes and throughout the summer holidays. You could even encourage your child to practice their morning routine, including packing their bag or getting dressed.
4. **Be positive** – Speak positively about the new school or teacher. Young people can often mirror other people's attitudes.
5. **Comfort object** – It is common for young people to feel worried leaving their parent or carer after a break from school. You could try letting your child carry a small reminder from home, like a photograph of their family, or a note from you in their pocket to help reduce anxiety.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays. Please contact your school's Mental Health Lead for information and advice.

E-SAFETY TIP OF THE WEEK :

According to Ofcom's latest Children's Media Use and Attitudes report "funny videos or those showing pranks or challenges continue to be the most popular type of VSP (video-sharing platforms) content for children, watched by 68% of 3-17-year-olds who watch videos."

[source - <https://www.ofcom.org.uk/media-use-and-attitudes/media-habits-children/children-and-parents-media-use-and-attitudes-report-2025>]

If your child is watching this type of content, then you need to chat to them regularly, particularly about online challenges and the risks that they can pose. There are challenges online that are risky/dangerous. Children may not yet have developed the skills and ability to critically analyse that what they see online is not always safe for them to replicate.

COLLECTIVE WORSHIP

This week we have enjoyed singing the songs that we have learnt throughout the year. We have also continued to learn about British Values.

Car Seat Safety Tips

BIRTH TO AT LEAST 2

REAR-FACING CAR SEAT

Keep your child rear-facing as long as possible, or until they reach the recommended height & weight limit of that seat. Never place a rear-facing car seat in the front seat.

AGE 3 TO AT LEAST 6

FORWARD-FACING CAR SEAT

Keep your child in a forward-facing car seat with a harness and tether for as long as possible, or until they reach the recommended height & weight of that seat.

AGE 4 UNTIL SEAT BELT FITS

BOOSTER SEAT

Use a booster seat until the seat belt fits properly. The recommended height for a proper seat belt fit is 4 feet 9 inches (145 cm) which is usually occurs between the ages of 9-12.
