It is hard to believe we are already three weeks into the academic year already! It has been a wonderful start to the new school year, and it has been lovely to see how quickly the children have settled into their new classes. There is lots of exciting learning taking place across the school, and we are incredibly proud of everyone. Our new staff and children have also settled into school life so well, and it already feels as though they have been part of our school community for much longer!

We have also been busy making improvements to our library. A new area has been created ready for us to purchase a selection of more challenging chapter books for our older children. The children have been very enthusiastic about sharing the authors and books they would like to see in our library, and we are looking forward to making a large purchase of new books based on their suggestions.

We appreciate that parking around school can be difficult, particularly at busy drop-off and collection times, and we understand that there is limited space locally. We kindly ask all families to be considerate of our local residents and other road users when parking. Please do not block residents' driveways or prevent access to properties. We ask that parents park safely and considerately, leaving enough space for residents, pedestrians and emergency vehicles to pass. Thank you for your understanding and for helping us to maintain positive relationships with our local community.

Wishing you all a lovely weekend. Thank you for your support.

Spotlight on

Rewards

At Dunchurch Infants, we recognise that children are motivated by, and respond to, praise and rewards. We have a range of rewards that children can achieve each week. Detailed below are the rewards we offer, with a brief outline of how the children can achieve these.

Ongoing on a daily basis

Lots of positive praise and encouragement is given to children each day by the adults within school.

We have six learning behaviours in school. The focus learning behaviour of the half term and the skills developed are included on the weekly newsletter. If children display any of the learning behaviours, they can be rewarded with a learning behaviour Class Dojo point or sticker from adults within school.

Dojo points – Staff award points when children demonstrate the school expectations of being ready, respectful and safe, as well as showing learning behaviours, school rules and routines such as superb sitting, and the school's Christian values.

Weekly basis

Children have the opportunity to demonstrate their skills throughout the week, which may result in a certificate being awarded as part of Friday's Celebration Worship.

- Learner of the week – Class teachers select a child from each year group who has demonstrated the learning behaviour focus of the half term. Children are presented with a certificate.
- Hot chocolate Friday—Each week the class teachers choose someone who has been exceptional in their class. They then join an adult, usually Mrs Marson, for hot chocolate on a Friday afternoon.
- Dojo points weekly awards. A child from each class is rewarded with a certificate if they have earned a large number of Dojo points that week. The class with the most Dojo points that week earns a flag to display outside their classroom. We reset the Dojo points every Friday morning, once we have given out the rewards in Collective Worship.
- Caught doing the right thing—At lunchtime, if the children are spotted doing the right thing, they will be given a raffle ticket from the Midday Supervisors. The raffle tickets go into a pot, and one is drawn at random each week with the child whose name is drawn receiving a certificate. At the end of each half term, the tickets all go into a big pot and the winning child receives a prize.

Children are always welcome to bring in rewards from home, such as certificates and trophies, to share with the rest of the school on a Friday during our celebration worship.

In Collective Worship

this week ...

In collective worship this week, we have considered how we can be courageous advocates during recycling week.

In our Picture News worship, we looked at a cycling race and considered how difficult it must be to compete. We discussed how we can show resilience and perseverance in our lives, just like our learning behaviour of tough tortoise!

Mental Health Support

Tips For Wellness Nutrition

Nutrition refers to the nutrients in food and how our body uses them to stay strong and healthy. There are lots of positive benefits for our **physical health**, nutrition is also really important for our **mental health**!

Our brain works hard taking care of our thoughts, movements, breathing, heartbeat and senses (even when we are sleeping!), so we must fuel our brain with nutritious foods to help us function. This can help us to think clearly, increase our energy levels and support concentration. What we eat also affects our mood too!

Our tips:

1. **Get involved in the cooking** - Can you help your parent/carer to prepare dinner? This can be a fun way to spend time with others and learn a new skill.

2. **Make it fun** - There are lots of different ways different foods can be prepared. You could try experimenting putting different food together to see what you like and don't like.

3. **Try something new** - When was the last time you tried a new food? It can be exciting to find out what food we like and don't like. Also, our tastes can change as we grow and develop. See if you can set yourself a challenge to try a new food this week.

4. **Keep Hydrated** - Dehydration could lead to headaches, difficulty focusing and may impact sleep. Try to ensure you are regularly drinking water, it can be useful to bring a bottle of water to school every day to remind you to stay hydrated!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Book of the week

Title: Mr Brave

Author: Roger Hargreaves

Recommended by: Miss Oliver

MR. BRAVE
Roger Hargreaves

Mr. Brave is known for being courageous and always ready to help others. However, he discovers that even brave people can feel frightened. When he is faced with a difficult situation, he becomes nervous and must find the courage to continue. With determination, Mr. Brave overcomes his fear and learns that being brave does not mean never feeling scared; it means trying even when something feels difficult.

I chose this book because its message is particularly meaningful for young children starting infant school. New environments, routines and experiences can feel daunting, and the story reassures children that it is normal to feel nervous. It also supports an inclusive approach to SEN by showing that bravery can look different for every child. For some children, entering a new classroom, trying an unfamiliar activity or communicating with others can be a significant achievement. *Mr. Brave* is a simple, humorous story with a powerful message: courage is not about having no fear, but about taking the next little step.

E-Safety tip of the week

Manage influence by being aware of the different things which engage your child online

Your child might be influenced by a range of different things when online, such as exciting adverts, their favourite characters, and even by their friends. Not all influence online is negative, but it is important to be aware of what is engaging your child online and the impact this could have on them as they get older. Balance online influences with your own and your child's thoughts by talking about what they see and hear.
