Roots to grow. Wings to fly.
Newsletter number: 04

Date: 25.09.2026

It has been another fantastic week of learning across the school, with a real focus on developing communication and writing skills.

In Nursery, children have been busy building the foundations for writing through a range of purposeful mark-making activities and exploring patterns, showing increasing confidence in expressing their ideas and making connections in their learning.

In Reception, the children have made an excellent start Drawing Club using the story '*We're Going on a Bear Hunt*.'

It has been wonderful to see their imagination and storytelling skills flourish as they explore the story, create their own adventures and develop their vocabulary through rich discussion, drawing and early writing opportunities.

Year 1 have been using drama and role play to enhance their immersing themselves in stories and characters to generate ideas and bring their learning to life.

Meanwhile, Year 2 have been exploring instructional writing, carefully following and creating their own sets of instructions whilst learning how imperative verbs help make their writing clear and effective.

It has been a pleasure to see such enthusiasm, creativity and determination from our children this week. Their engagement, resilience and pride in their work have been evident in every classroom, and we are incredibly proud of all they have achieved.

As we celebrate the wonderful progress our children are making in reading, writing and mathematics, I would also like to remind parents and carers about our Curriculum Evening on Wednesday 30th September. This is a valuable opportunity to find out more about what your child will be learning throughout the year and how we teach key skills across the curriculum, including reading, writing and maths.

There will be two identical sessions, at **4:30pm** and **5:15pm**, to accommodate families with children in different year groups. You only need to attend one session for each year group, as both presentations will cover the same content. Please enter and leave the school via the school office and make your way directly to your child's classroom. For those unable to attend, the presentation slides will be uploaded to Class Dojo afterwards.

I hope you all have a wonderful weekend and enjoy some quality time with family and friends. We look forward to welcoming the children back next week for another exciting week of learning and discovery.

Mrs Owen.

SEND: What Happens If My Child Needs Additional Support?

As parents, it can sometimes be difficult to know what to do if there are concerns about a child's learning, communication, development or emotional wellbeing. At Dunchurch Infants, we believe that early identification and strong partnerships with families are key to helping every child thrive.

If concerns arise, the first step is always a conversation with the class teacher. Children learn and develop at different rates, and many difficulties can be addressed through adaptations and support within the classroom. This might include visual supports, adapted tasks, pre-teaching vocabulary, additional modelling, sensory strategies or targeted group work. High-quality teaching remains at the heart of everything we do and is the starting point for supporting all children.

If concerns continue, school may begin a process called Assess, Plan, Do, Review. This involves gathering information from home and school, identifying a child's strengths and barriers to learning, putting support in place and then reviewing the impact to decide on the most appropriate next steps. Parents are involved throughout this process, as their knowledge and understanding of their child is invaluable.

At Dunchurch Infants, support for children with additional needs is a shared responsibility. Class teachers remain responsible for the progress and development of every child in their class and work closely with the SENCo to plan, implement and review provision. As SENCo, Hannah Owen works alongside teachers, families and external professionals to ensure children receive the right support at the right time. Together, staff take a collaborative approach, placing the child at the centre of decision-making.

Where a child requires support that is additional to, or different from, that ordinarily available through classroom teaching, they may be added to the SEND Register. Families are fully involved in this decision. An Individual Education Plan (IEP) is then created in partnership with parents, identifying strengths, outlining support strategies and setting a small number of personalised targets. These targets are reviewed regularly to celebrate progress and ensure provision continues to meet the child's needs. For a small number of children with more complex or significant needs, additional support may be provided through an Education, Health and Care Plan (EHCP), which is developed in partnership with families, school and other professionals.

At Dunchurch Infants, SEND provision is about removing barriers, never lowering expectations. We are committed to ensuring that every child feels valued, included and able to flourish within our school community. If you ever have concerns about your child's learning, development or wellbeing, please speak to your child's class teacher, who will be happy to discuss the support available and, where appropriate, involve Hannah Owen, the school's SENCo.

Families are also welcome to contact Hannah directly for advice, support or to discuss any questions they may have about SEND provision. We believe that strong partnerships between home and school are the best way to ensure every child receives the support they need to succeed.

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

A great lunch. A great start.

All children in Reception, Year 1 and Year 2 are entitled to a healthy, nutritious school meal every day – funded by the government through UIFS.

It's already paid for. Make the most of it!

WORTH UP TO £480 PER CHILD, EVERY YEAR!

Good for them. Good for you.

School meals are packed with nutrients to fuel growing bodies and busy minds – helping children to learn, play and thrive.

The real cost of a packed lunch vs. a school meal

Choosing a school meal could save you up to £480 a year!

SCHOOL MEAL (FUNDED BY THE GOVERNMENT)

£2.53 PER MEAL

190 SCHOOL DAYS = UP TO £480 PER CHILD, PER YEAR

Preparing a packed lunch every day adds up. Here's what it could cost you across a school year:

ALDI BUDGET OPTION

FROM £1.60 PER DAY

TESCO MID-RANGE

FROM £2.30 PER DAY

Sainsbury's HIGHER RANGE

FROM £2.80 PER DAY

Even at the lowest cost, that's £300+ spent by families unnecessarily.

Costs are similar to the value of the funded school meal.

Spending more than the full value of the school meal funding.

Don't miss out on up to £480 in funding available for your child every year.

Why school meals are great for your child

Healthy & balanced

Nutritious meals made to strict standards to fuel growing bodies and minds.

Better for learning

The right nutrients help with concentration, behaviour and achievement.

Social & fun

Lunchtime is a chance to build friendships and enjoy a positive dining experience.

Tasty & varied

Delicious meals with lots of choice to suit all tastes and dietary needs.

Better for the planet

School meals reduce packaging waste and support sustainable practices.

Every meal makes a difference

Good for families, good for everyone

Using the funding available helps schools provide the best quality meals for all children. Thank you for supporting your school community.

ONLINE FOOD ALLERGEN & INTOLERANCE FORM

At Caterlink the safety of our pupils is our number one priority, and we take catering for customers with food allergies and intolerances very seriously.

The below information details how to complete our online form for pupils who require a special diet menu due to allergens, intolerances or medical conditions.

STEP 1

You can request a special diet menu by completing our online Allergy & Intolerance Form – [CTI – Food Allergy & Intolerance Form V2](#)

This needs to be submitted with supporting medical evidence from an NHS professional (a GP/consultant or registered dietitian). This can be a letter, copy of medical notes, an Allergy Action Plan signed by a medical professional or a screenshot from the NHS app. Medical evidence is an industry-wide requirement, recommended by the Lead Association for Catering in Education (LACE).

Please ensure that when you enter the school name that the unit number and postcode listed are correct for your school.

STEP 2

Whilst waiting to see if a special diet menu has been approved any children with food allergies or intolerances can be provided with a 'safe meal' – jacket potato with baked beans, vegetables and fresh fruit salad (if suitable for the pupil's allergies).

If you would like your child to have a 'safe meal' please let your school know.

STEP 3

The Caterlink team will review the request and check that it is safe to cater for using the LACE Special Diet Risk Analysis Process for Caterers where required. The risk analysis looks at the pupil's requirements, the medical evidence, the capability of the kitchen facilities and the school environment to determine if the request is low, medium or high risk.

STEP 4

If deemed safe to cater for by our Caterlink nutrition team will then develop the special diet menu, with at least one suitable meal option daily. This can take up to four weeks from receiving all of the information required.

Should your child's allergies or intolerances change, you should request the link from the school and choose 'Updated Request'.

If your child has become allergic or intolerant to additional foods, please ring the school immediately and request a safe meal.

In Collective Worship

this week ...

In Collective Worship this week, we listened to the story of Noah's Ark and reflected on God's creation.

We talked about the importance of caring for our world and discussed simple ways we can help, such as recycling, reducing waste, looking after nature and being thankful for the environment around us. The children shared some thoughtful ideas about how they can make a positive difference both at school and at home.

Mental Health Support

Tips For Wellness Nutrition

Nutrition refers to the nutrients in food and how our body uses them to stay strong and healthy. There are lots of positive benefits for our **physical health**, nutrition is also really important for our **mental health**!

Our brain works hard taking care of our thoughts, movements, breathing, heartbeat and senses (even when we are sleeping!), so we must fuel our brain with nutritious foods to help us function. This can help us to think clearly, increase our energy levels and support concentration. What we eat also affects our mood too!

Our tips:

1. **Get involved in the cooking** - Can you help your parent/carer to prepare dinner? This can be a fun way to spend time with others and learn a new skill.

2. **Make it fun** - There are lots of different ways different foods can be prepared. You could try experimenting putting different food together to see what you like and don't like.

3. **Try something new** - When was the last time you tried a new food? It can be exciting to find out what food we like and don't like. Also, our tastes can change as we grow and develop. See if you can set yourself a challenge to try a new food this week.

4. **Keep Hydrated** - Dehydration could lead to headaches, difficulty focusing and may impact sleep. Try to ensure you are regularly drinking water, it can be useful to bring a bottle of water to school every day to remind you to stay hydrated!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Book of the week

Title: The Colour Monster

Author: Anna Llenas

Recommended by: Mrs Binczik

The Colour Monster is a book we often enjoy sharing in Nursery as it helps children understand and talk about their feelings in a fun, colourful and child-friendly way.

The friendly Colour Monster gets mixed up with his emotions and learns that it's okay to feel happy, sad, excited, worried or calm. The bright illustrations and engaging story encourage lots of lovely conversations about feelings and help children to recognise and understand their own emotions.

It's a wonderful book to enjoy together at home and a great way to support children's emotional development.

E-Safety tip of the week

Do you have a SMART TV?

It's important to talk with your child about responsible use of your/their smart TV.

- Discuss what is okay and not okay to use their TV for. Talk about time limits and expectations of when the device can and cannot be used, this could include things like the TV being used with other members of the family or only watching shows that are age appropriate.

Play Equipment Notice

We are delighted with the fantastic response to our brand-new play equipment on the playground and seeing all the children enjoying it so much. However please note the following for everyone's safety:

- Play equipment used during the school day (between 8:50am -3:20pm) will be under staff supervision
- Children using the equipment out of the school day must be supervised by a parent or carer as this use is at the user's own risk
- The school accepts no liability for injury, loss or damage arising from use outside school hours.
